

British Agent

David W. Parker

British Agent:

British Agent John Whitwell, 1996 *British Agent* tells the story of a bygone age of espionage This unique memoir vividly describes a time when a hard pressed British spy service with only a handful of agents in Europe sought to keep track of a continent descending into war With Nazi Germany increasing in strength the stakes were high yet this was still the low technology age of the amateur agent Even a radio transmitter was a rare item while stationed in Riga Whitwell had to build his own John Whitwell the pseudonym of senior British intelligence officer Leslie Nicholson conducted his secret work in a succession of European capitals without diplomatic cover and at times with the German Gestapo and Soviet NKVD perilously close His story is not one of derring do or spectacular coups but of underground work when every scrap of intelligence was hard won and when dark fantasy and uncomfortable fact were exceedingly difficult to distinguish It is hoped that this tale of British secret service work in Prague Riga and London first published in 1966 and long out of print will provide insight and pleasure to a new generation of readers curious about the still secret history of espionage *Report of the Agent of the United States Before the Tribunal of Arbitration at Geneva* United States, 1873 **Guide to the Materials for United States History in Canadian Archives** David W. Parker, 1913 Biographic Register of the Department of State United States. Department of State, 1874 **Reports from Her Majesty's Embassies and Missions Abroad on the Subject of Consular Conventions** Great Britain. Foreign Office, 1872 **Register of the Department of State** United States. Department of State, 1970 *Density Gradient Centrifugation* , 1978-01-01 *Density Gradient Centrifugation* American State Papers United States. - Congress, Matthew St. Clair Clarke, Walter Lowrie, 1832 *The New Review* , 1890 National Archives Accessions National Archives (U.S.), 1966 *Preliminary Inventory* , 1965 **Memoirs of a British Agent** R. H. Bruce Lockhart, 2011-04-30 When first published in 1932 this memoir was an immediate classic both as a unique eyewitness account of Revolutionary Russia and as one man s story of struggle and tragedy set against the background of great events Aged 25 Lockhart became the British Vice Consul to Moscow in 1912 With revolution in the air it was dangerous decadent posting The Boy Ambassador became an eyewitness to pivotal events and in 1918 was charged with establishing a diplomatic understanding with the Bolsheviks to ensure that Russia remained in the war against Germany It was a precarious mission Whitehall could not be seen support revolutionaries Lockhart grew wary of his masters secret machinations while Lenin and Trotsky s cordial relations with the British agent never quite dispelled their mistrust of the nation he represented When Lockhart met Moura Budberg who became the great love of his life he was in an increasingly vulnerable position In September 1918 he would be falsely accused of a counter revolutionary plot to overthrow the Bolsheviks and sent to the Loubianka His account even inspired a Hollywood movie From his evocative descriptions of revolutionary Moscow where the champagne flowed as the bourgeoisie trembled to his audiences with Trotsky and his brushes with death this is a vivid unique memoir *The Northwest and Louisiana, 1791-1807* Theodore Roosevelt, 1896 **Twentieth Century** , 1911 The

Nineteenth century and after London **The Canadian Annual Review of Public Affairs** John Castell Hopkins,1905
