## **British Goblins:**

British Goblins Wirt Sikes, 2016-12-18 **British Goblins** Welsh Folk lore Fairy Mythology Legends and Traditions **British Goblins** does a good job at its stated purpose collecting and loosely categorizing Welsh Folklore of every category ranging from the reasons behind certain customs and superstitions of daily life to descriptions and associated stories of various faeries goblins and giants to descriptions of apparitions and the view of the afterlife to more fantastic things like dragons standing stones and magic wells and stones Although a somewhat anecdotal approach is taken the author has in fact preserved a good deal of information that might have otherwise been lost

**British Goblins** Wirt Sikes, 1881 **British Goblins** Wirt Sikes, T. Thomas, 2014-12-10 One of the most beautiful and complete collections of stories legends myths folktales and traditions to ever emerge from Wales Compiled by an American the United States consul for Wales in the late nineteenth century this volume was the work of several years labor Scouring the hills and valleys of Wales after falling in love with the land the author wrote down the oral traditions stories myths and legends related to him by the people he met on his travels The result was a spectacular work divided up into four sections Faerie Realm the Spirit World Quaint Old Customs and Bells Wells Stones and Dragons In this book the reader will not only learn of the greatest Welsh legends including King Arthur Iolo ap Hugh the Green Lady of Caerphilly but also of the local fairy stories and even the superstitions of ancient and not so ancient Wales Rarely has a nation's mythos and essence been so elegantly captured as in this work The legacy of Welsh mythology and folklore has entered the vocabulary of modern English and spread around the world being some of the oldest tales in all Europe As the author states in his introduction In a certain sense Wales may be spoken of as the cradle of fairy legend It is not now disputed that from the Welsh were borrowed many of the first subjects of composition in the literature of all the cultivated peoples of Europe This edition has been completely reset contains the full text and all the wonderful and hand restored illustrations of the original work It is a literary treasure of the first class
