British Columbia Wine Companion:

The British Columbia Wine Companion John Schreiner, 1996-01-01 This book collects the essential facts and the outrageous anecdotes that define the colourful past and dynamic future of wine in British Columbia. The book includes biographical sketches of most of the grape growers, winemakers, winery owners, and other participants in the wine industry. Essays cover such diverse topics as the changing styles of BC wines, the histories of InkamEEP Vineyards and Sweeney Cooperage, and the story of icewine.

Goodgrog John Schreiner, 2023-03-27 *Goodgrog: A Life in Wine and Journalism* chronicles the life and especially the career of journalist John Schreiner, who may have had one of the most enviable jobs ever: wine writer. For over forty years in newspaper and magazine articles and columns, and through nineteen books, Schreiner has entertained and informed Canadian wine drinkers, championed British Columbia wineries, and helped establish the credibility of the Canadian wine industry. His research for this has involved visiting and sampling the wares of wineries across British Columbia, Canada, the US, Europe, South America, Australia, and New Zealand. He has also judged several prestigious wine competitions in Italy and British Columbia. But there is much more to Schreiner's story than his experience as one of Canada's leading wine writers. He begins his tale in Indian Head, Saskatchewan, where he was born in the latter years of the Depression. From there, he takes readers along his journey as a journalist at the Regina Leader Post and finally the Financial Post, where he covered some of Western Canada's biggest business stories and had the opportunity to travel the world doing economic reports. Filled with anecdotes from both his private and professional life, as well as with stories about the Canadian wine industry and some of British Columbia's more colourful politicians and business leaders, this book is good to the last drop.

Chardonnay and Friends John Schreiner, 1998 This is exactly the tool that wine lovers need to explore the mainstream varieties like Chardonnay, Cabernet Sauvignon, and Merlot, as well as hidden treasures such as Auxerrois, Ehrenfelser, Pinotage, and Sovereign Opal. Schreiner describes the origin of the grape varieties, the taste of the wines, and makes recommendations for food pairing. *Chardonnay and Friends* also includes a refreshing guide to efficient winery touring, with wineries grouped into ideal one-day tours. Whether you are visiting wineries or just shopping at your local liquor store, this book will make it easier to select the right wines for your taste and your table.
