E.W. Godwin Edward William Godwin, Susan Weber Soros, Catherine Arbuthnott, Bard Graduate Center For Studies In The Decora, Bard Graduate Center for Studies in the Decorative Arts, 1999-01-01 In the first section of this work ten scholars examine E W Godwin s life and career discussing his diverse contributions as a design reformer The second section presents a fully annotated selection of over 150 items that represent the formation and flowering of Godwin s oeuvre Art Nouveau Gabriel P. Weisberg, Elizabeth K. Menon, 2013-09-05 First published in 1998 Design reform in the fields of architecture and the decorative or applied arts became objectified through writings published during the period of 1885 to 1910 This investigation includes but is not limited to Art Nouveau in France and Belgium and the arts and crafts movement in England and the United States Even though the similar processes of creativity and shared goals of Art Nouveau and the arts and crafts movement have long been recognized attempts to explore their origins and their points of interrelation with the broader scope of art history have been largely unsuccessful until now **The Routledge Companion to William Morris** Florence S. Boos, 2020-10-29 William Morris 1834 96 was an English poet decorative artist translator romance writer book designer preservationist socialist theorist and political activist whose admirers have been drawn to the sheer intensity of his artistic endeavors and efforts to live up to radical ideals of social justice This Companion draws together historical and critical responses to the impressive range of Morris s multi faceted life and activities his homes travels family business practices decorative artwork poetry fantasy romances translations political activism eco socialism and book collecting and design Each chapter provides valuable historical and literary background information reviews relevant opinions on its subject from the late nineteenth century to the present and offers new approaches to important aspects of its topic Morris s eclectic methodology and the perennial relevance of his insights and practice make this an essential handbook for those interested in art history poetry translation literature book design environmentalism political activism and Victorian and utopian studies
