British Politic Perspective:

Political Discourse in the Media Anita Fetzer, Gerda Lauerbach, 2007 This book departs from the premise that political discourse is intrinsically connected with media discourse as shaped by its cultural and transcultural characteristics It presents a collection of papers which examine political discourse in the media from a cross culturally comparative perspective in Arab Dutch British Finnish Flemish French German Israeli Swedish US American and international contexts By using different theoretical frameworks such as conversation analysis discourse analysis pragmatics and systemic functional linguistics the papers reflect current moves in political discourse analysis to cross disciplinary and methodological boundaries by integrating semiotics particularly multimodality cognition context genre and recipient design

Political Traditions and UK Politics M. Hall, 2011-08-16 An exploration of political traditions and their usage in explanations of British politics This book includes an evaluation of both classical and critical approaches to the British Political Tradition It also analyses more recent uses of political tradition by Bevir Rhodes and Marquand

Interpreting Modern Political Philosophy Alistair Edwards, Jules Townshend, 2017-03-14 The interpretive literature in the history of political thought is now vast complex and esoteric posing as much a barrier to the understanding of the undergraduate student as it offers assistance This unique and innovative text provides the student with a guide through this maze of argument Each chapter sets out the major positions and debates that surround the texts of key thinkers analyzes major problems of interpreting them examines the sources of disagreement and evaluates the different interpretations in terms of their strengths weaknesses and contributions to scholarship

British and Public Policy 1776-1939 S. G. Checkland, 1983 An account of the evolution of British public policy from the Industrial Revolution to 1939

Sceptical Perspectives on the Changing Constitution of the United Kingdom Richard Johnson, Yuan Yi Zhu, 2023-04-20 This book examines the far reaching changes made to the constitution in the United Kingdom in recent decades It considers the way these reforms have fragmented power once held centrally through the Crown in Parliament by means of devolution referendums and judicial reform It examines the reshaping of the balance of power between the executive legislature and the way that prerogative powers have been curtailed by statute and judicial ruling It focuses on the Human Rights Act and the creation of the UK Supreme Court which emboldened the judiciary to limit executive action and even to challenge Parliament and argues that many of these symbolised an attempt to shift the political constitution to a legal one Many virtues have been ascribed to these reforms To the extent that criticism exists it is often to argue that these reforms do not go far enough An elected upper chamber regional English parliaments further electoral reform and a codified constitution are common tonics prescribed by commentators from this point of view This volume adopts a different approach It provides a critical evaluation of these far reaching reforms drawing from the expertise of highly respected academics and experienced political figures from both the left and right The book is an invaluable source of academic expertise and practical insights for the interested public students policymakers and journalists

who too often are only exposed to the further reform position *The Visual Is Political* Na'ama Klorman-Eraqi,2019-07-19 The Visual is Political examines the growth of feminist photography as it unfolded in Britain during the 1970s and 1980s This period in Britain was marked by instability following the collapse of the welfare state massive unemployment race riots and workers strikes However this was also a time in which various forms of social activism emerged or solidified including the Women s Movement whose members increasingly turned to photography as a tool for their political activism Rather than focusing on the aesthetic quality of the images produced Klorman Eraqi looks at the application of feminist theory photojournalism advertising photo montage punk subculture and aesthetics and politicized street activity to emphasize the statement and challenge that the photographic language of these works posed She shows both the utilitarian uses of photography in activism but also how these same photographers went on to be accepted or co opted into the mainstream art spaces little by little sometimes with great controversy The Visual is Political highlights the relevance and impact of an earlier contentious creative and politicized moment of feminism and photography as art and activism *Functional Approach to Professional Discourse Exploration in Linguistics* Elena N. Malyuga,2019-08-06 This book presents research into various types of professional discourse through the prism of the functional linguistics approach Focusing mainly on practical aspects of speech the book discusses various topics such as structural semantic cognitive and pragmatic characteristics of professional discourse argumentation strategies humour in professional discourse and word building processes It also highlights communicative effectiveness methods in professional discourse Offering new ideas and discussing the latest findings the book is intended for researchers lecturers and professionals in the field Political Discourse and Conflict Resolution Katy Hayward,Catherine O'Donnell,2010-10-04 This book offers new insights into the close relationship between political discourses and conflict resolution through critical analysis of the role of discursive change in a peace process Just as a peace process has many dimensions and stakeholders so the discourses considered here come from a wide range of sources and actors The book contains in depth analyses of official discourses used to present the peace process the discourses of political party leaders engaging or otherwise with it the discourses of community level activists responding to it and the discourses of the media and the academy commenting on it These discourses reflect varying levels of support for the peace process from obstruction to promotion and the role of language in moving across this spectrum according to issue and occasion Common to all these analyses is the conviction that the language used by political protagonists and cultural stakeholders has a profound effect on progression towards peace Bringing together leading experts on Northern Ireland s peace process from a range of academic disciplines including political science sociology linguistics history geography law and peace studies this book offers new insights into the discursive dynamics of violent political conflict and its resolution **Pakistan, Political Perspective** ,1996 **Literary, Scientific, and Political Views of Orestes A. Brownson** Orestes Augustus Brownson,1893 United Kingdom R. A. W. Rhodes,2000 This series brings together a selection of journal articles

from the field of comparative politics over the past 30 years The aim is to render readily accessible to teachers researchers and students an extensive range of essays which together provide a basis for understanding both the established conceptual terrain and the new ground being broken in the rapidly changing field of comparative political analysis This series is divided into three major sections institutional studies thematic studies and country studies **The British Approach to Politics** Michael Stewart,2024-06-26 Originally published in 1958 and written by a serving M P this book discusses the nature and purpose of political activity in the Government of Britain the Commonwealth and the former British Empire As politics is closely connected with history and economics the book makes reference to these subject areas but in a way that is only necessary to give a lucid introduction to the political problems of the 20th Century The book was written in such a way as to be particularly useful for the introductory study of government and politics **International Press Correspondence** ,1926

British Politics: A Very Short Introduction Tony Wright,2013-05-30 Tony Wright s Very Short Introduction to British Politics is an interpretative essay on the British political system rather than an abbreviated textbook on how it currently works He identifies key characteristics and ideas of the British tradition and investigates what makes British politics distinctive while emphasizing throughout how these characteristics are reflected in the way the political system functions Each chapter is organized around a key theme such as the constitution or political accountability which is first established and then explored with examples and illustrations In this new edition Wright considers how the system has recently changed and continues to do so in light of the coalition government and the fall of New Labour as well as the impact of the financial crisis and issues such as terrorism and immigration ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable Political Science Quarterly Columbia University. Faculty of Political Science,1921 A review devoted to the historical statistical and comparative study of politics economics and public law

The American Political Science Review ,1912 **United Empire** ,1929 The Outlook ,1911 British Politics: A Critical Introduction Stuart McAnulla,2006-02-06 This book provides students with a critical introduction to the British political system and the context of contemporary British policy making Too often the importance of interpretation to any understanding of British politics is neglected Attention to conveying factual information takes precedence over developing theoretical understandings This book is different in that it provides an account of British politics that is conceptually and theoretically driven It not only outlines the key features of British politics but which also provides critical perspectives on them McAnulla uses particular concepts and theories to illuminate the key dynamics of British politics i e to the ideas practices and relationships that sustain the political system Particular attention is devoted to understanding contemporary developments through an appreciation of the traditional dynamics of British politics Indian Independence in Perspective
