Editor's Note

For the past two years, Mr. S. A. Jacobs
has patiently attended to the extent of
collaboration, the labor of reading and
editing for this book. It is, therefore, a
great pleasure to put it into his hands,
so he may design and print. Few
books are so fortunate. And I request
the reader to accept the following collec-
tion as a suggestion for further inquiries
in this line, not as a definitive
or final selection.
