J. Martens,2014 During the last decades representations of medieval and early modern urban space have witnessed an increasing popularity as objects of study within the historical disciplines Scholars with different backgrounds investigate urban landscapes in various forms and using a wide range of media In general such portraits of the city cover different types of visual and written documents The twelve essays gathered in this book all cover specific types of such portraits ranging from historiographical texts and archival record over drawings prints and paintings to maps and real urban architectural settings Moreover the interdisciplinary scope results in an ample compilation of various innovative methodologies currently applied in the fields of study and disciplines addressed in the book Portraits of the City provides a representative overview of the current state of knowledge and is in this way a relevant contribution to the international debate on representations of the city    *American Book Publishing Record Cumulative, 1950-1977* R.R. Bowker Company. Department of Bibliography,1978    City Views in the Habsburg and Medici Courts Ryan E. Gregg,2018-12-10 In City Views in the Habsburg and Medici Courts Ryan E Gregg relates how Charles V Holy Roman Emperor and Duke Cosimo I of Tuscany employed city view artists such as Anton van den Wyngaerde and Giovanni Stradano to aid in constructing authority These artists produced a specific style of city view that shared affinity with Renaissance historiographic practice in its use of optical evidence and rhetorical techniques History has tended to see city views as accurate recordings of built environments Bringing together ancient and Renaissance texts archival material and fieldwork in the depicted locations Gregg demonstrates that a close knit school of city view artists instead manipulated settings to help persuade audiences of the truthfulness of their patrons official narratives    **Library of Congress Catalog** Library of Congress,1960 A cumulative list of works represented by Library of Congress printed cards    **Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** New York Public Library.
