

# City-County Governments

- A **consolidated government** is one that has merged its county operations and governance with one or more cities in the county:
  - reduces costs by eliminating duplicated services
  - combines law enforcement personnel, fire protection, solid waste (garbage) collection, land use planning, and zoning functions
- Columbus-Muscogee County was the state's first to consolidate (1970).

**Note:** Only 40 of the counties in the U.S. have consolidated governments – 7 are in Georgia.
