**Civil Disobedience (Webster's French Thesaurus Edition) ,** **Civil Disobedience** Hugo Adam Bedau,1975  
Civil Disobedience Christian Bay,Charles C. Walker,1975 Civil disobedience or direct action is examined for its political social and moral foundations as well as its practical application This handbook is a resource for everyone who is not determined to re invent the wheel Fellowship *Civil Disobedience* Merrill (Charles E.) Publishing International, **Civil Disobedience. Theory and Practice. Ed. by H.A. Bedau. [With Contribs of H.D. Thoreau, H. Wofford, Jr., M.L. King, Jr. A.o.]** Henry David Thoreau,Wofford, Jr. (H.),M. L. King (jr.),1968 **The Theory and Practice of Civil Disobedience According to Thoreau, King and Gandi** Amy A. Carnie,1992 *Civil Disobedience* Hugo Adam Bedau,1979 **Theory and Practice of Civil Disobedience** Arthur Harvey,1967 Ethics: Theory and Practice Y. V. Satyanarayana,2009 Ethics is a part of philosophy that is concerned with living well and choosing the right course of action The choice of the course of action is based on moral reasoning and there is no single moral theory on which we can base the choices that we make The application of moral standards in life is also the concern of Ethics Theory and Practice which deals with moral theories in Indian and Western philosophical traditions as well as the debates that centre around their application The book has ten chapters the first chapter presents what morality and moral reasoning is the second chapter is a critical survey of some popular concepts of Indian ethics the third chapter surveys Western moral theories and the remaining seven chapters cover a variety of contemporary moral issues that are controversial as well as inescapable They deal with issues like capital punishment civil disobedience euthanasia and women s rights **Gandhism in Theory and Practice** Nripendra Chandra Banerji,1923 *Civil Disobedience (Webster's French Thesaurus Edition) ,* **An Introduction to Political Theory** John Hoffman,Paul Graham,2013-09-13 This book provides an engaging and intellectually challenging introduction to political ideologies while at the same time giving an accessible route into the subject for those new to politics Supported by an outstanding companion website it has strong claims to be the best undergraduate textbook on ideologies on the market Dr Mike Gough University of East Anglia Introduction to Political Theory is a text for the 21st century It shows students why an understanding of theory is crucial to an understanding of issues and events in a rapidly shifting global political landscape Bringing together classic and contemporary political concepts and ideologies into one book this new text introduces the major approaches to political issues that have shaped the modern world and the ideas that form the currency of political debate Introduction to Political Theory relates political ideas to political realities through effective use of examples and cases studies making theory lively contentious and relevant This thoroughly revised and updated second edition contains new chapters on global justice and political violence as well as an expanded treatment of globalisation and the state A wide range of pedagogical features helps to clarify extend and apply students understanding of the fundamental ideologies and concepts This is comprised of Case studies demonstrate how political ideas concepts and issues manifest in the real world Focus boxes

encourage students to appreciate alternative viewpoints A range of thought provoking photographs challenge students to examine concepts from a different angle Suggestions for further reading and weblinks are also provided to help students to further their understanding Introduction to Political Theory is accompanied by an innovative website with multiple choice questions biographies of key figures in political theory further case studies and an innovative how to read feature which helps students get to grips with difficult primary texts

**A Three-Dimensional Theory of Law** María José Falcon y Tella,2010-04-27 What this book intends to do is to study three dimensionalism the distinction values norms facts not in what could be called its historical dimension but in its substantive aspect as a form that when applied to different legal themes would add a material content to the three dimensional theory We can point out as a study plan the distinction between three perspectives Those of the legal norm of the legal order and the legal relationship Three dimensionalism also appears in this work when one analyzes the three phases of the life of the law The formation the interpretation and the application and in the distinction between the three characteristics of the legal order Fullness coherence and unity the theory of legal validity intended as legitimacy as validity strictly speaking or as effectiveness

**Encyclopedia of Democratic Thought** Paul Barry Clarke,Joe Foweraker,2003-12-16 Containing almost 200 entries from accountability to the Westminster model the Encyclopedia of Democratic Thought explores all the ideas that matter to democracy past present and future It is destined to become the first port of call for all students teachers and researchers of political science interested in democratic ideas democratic practice and the quality of democratic governance The Encyclopedia provides extensive coverage of all the key concepts of democratic thought written by a stellar team of distinguished international contributors The Encyclopedia draws on every tradition of democratic thought as well as developing new thinking in order to provide full coverage of the key democratic concepts and engage with their practical implications for the conduct of democratic politics in the world today In this way it brings every kind of democratic thinking to bear on the challenges facing contemporary democracies and on the possibilities of the democratic future The Encyclopedia is global in scope and responds in detail to the democratic revolution of recent decades Referring both to the established democratic states of Western Europe North America and Australasia and to the recent democracies of Latin America Eastern and Central Europe Africa and Asia classical democratic concerns are related to new democracies and to important changes in the older democracies Supplemented by full bibliographical information extensive cross referencing and suggestions for further reading the Encyclopedia of Democratic Thought is a unique work of reference combining the expertise of many of the world s leading political scientists political sociologists and political philosophers It will be welcomed as an essential resource for both teaching and for independent study and as a solid starting point both for further research and wider exploration
