

Civil War A Soldiers View

Gary W. Gallagher

Civil War A Soldiers View:

The View from the Ground Aaron Sheehan-Dean, 2006-12-22 Civil War scholars have long used soldiers diaries and correspondence to flesh out their studies of the conflict's great officers regiments and battles. However, historians have only recently begun to treat the common Civil War soldier's daily life as a worthwhile topic of discussion in its own right. The View from the Ground reveals the beliefs of ordinary men and women on topics ranging from slavery and racism to faith and identity and represents a significant development in historical scholarship: the use of Civil War soldiers' personal accounts to address larger questions about America's past. Aaron Sheehan-Dean opens The View from the Ground by surveying the landscape of research on Union and Confederate soldiers, examining not only the wealth of scholarly inquiry in the 1980s and 1990s but also the numerous questions that remain unexplored. Chandra Manning analyzes the views of white Union soldiers on slavery and their enthusiastic support for emancipation. Jason Phillips uncovers the deep antipathy of Confederate soldiers toward their Union adversaries, and Lisa Laskin explores tensions between soldiers and civilians in the Confederacy that represented a serious threat to the fledgling nation's survival. Essays by David Rolfs and Kent Dollar examine the nature of religious faith among Civil War combatants. The grim and gruesome realities of warfare and the horror of killing one's enemy at close range profoundly tested the spiritual convictions of the fighting men. Timothy J. Orr, Charles E. Brooks, and Kevin Levin demonstrate that Union and Confederate soldiers maintained their political beliefs both on the battlefield and in the war's aftermath. Orr details the conflict between Union soldiers and Northern antiwar activists in Pennsylvania, and Brooks examines a struggle between officers and the Fourth Texas Regiment. Levin contextualizes political struggles among Southerners in the 1880s and 1890s as a continuing battle kept alive by memories of and identities associated with their wartime experiences. The View from the Ground goes beyond standard histories that discuss soldiers primarily in terms of campaigns and casualties. These essays show that soldiers on both sides were authentic historical actors who willfully steered the course of the Civil War and shaped subsequent public memory of the event.

The Civil War George Francis Robert Henderson, 1968 *The Civil War. A Soldier's View. A Collection of Civil War Writings ... Edited by Jay Luvaas. [On the American Civil War. With Maps.]* George Francis Robert HENDERSON, Jay LUVAAS, 1958 **The Civil War** George Francis Robert Henderson, 1958 The Civil War George Francis Robert Henderson, 1958 **The Civil War** George Francis Robert Henderson, 1958 **The Civil War** G. F. R. Henderson, 2003-01-01 **The Civil War. A Soldier'S View** C. F. R. Henderson (Henderson, C.F.R.), 1958 **An Enlisted Soldier's View of the Civil War** Joseph Richardson Ward, 1981

Roll Call to Destiny Brent Nosworthy, 2008-03-04 Roll Call to Destiny puts readers on the frontlines of the Civil War by providing the point of view of small bands of men who braved unique combat situations. Acclaimed military historian Brent Nosworthy answers such questions as what it was like for artillery to beat back an aggressive infantry assault or to take part in a fast-paced cavalry charge and how Civil War infantry conflict was waged in thick forest foliage. From firsthand accounts

Nosworthy has pieced together Burnside's infantry at Bull Run, infantry versus infantry on the open field, the Fifty Seventh New York at Fair Oaks, fighting in the woods, Daniel Webster's section at Arkansas Post, artillery attacking a fort, the third day at Gettysburg, cavalry versus cavalry, plus much more. A must read for anyone who wants to know what Confederate and Union soldiers saw, heard, and felt, as well as how they acted at critical moments of the Civil War. *The Civil War* George Francis R. Henderson, 1958. [The Soldier's View](#) Keith Rocco, Robert I. Girardi, 2004. Presents a collection of more than 100 of Keith Rocco's paintings and sketches from twenty plus years as one of the leading artistic chroniclers of the American Civil War. Rocco's oils of soldier studies and dramatic battle scenes are reproduced in an oversize book on acid free heavy art paper. Included are Rocco's murals for The National Museum of the Civil War Soldier, the National Park Service, and other sites.

Upon the Fields of Battle Andrew S. Bledsoe, Andrew F. Lang, 2018-11-07. New developments in Civil War scholarship owe much to removal of artificial divides by historians seeking to explore the connections between the home front and the battlefield. Indeed, scholars taking a holistic view of the war have contributed to our understanding of the social complexities of emancipation of freedom in a white republic and the multifaceted experiences of both civilians and soldiers. Given these accomplishments, research focusing on military history prompts prominent and recurring debates among Civil War historians. Critics of traditional military history see it as old-fashioned, too technical, or irrelevant to the most important aspects of the war. Proponents of this area of study view these criticisms as a misreading of its nature and potential to illuminate the war. The collected essays in *Upon the Fields of Battle* bridge this intellectual divide, demonstrating how historians enrich Civil War studies by approaching the period through the specific but nonetheless expansive lens of military history. Drawing together contributions from Keith Altavilla, Robert L. Glaze, John J. Hennessy, Earl J. Hess, Brian Matthew Jordan, Kevin M. Levin, Brian D. McKnight, Jennifer M. Murray, and Kenneth W. Noe, editors Andrew S. Bledsoe and Andrew F. Lang present an innovative volume that deeply integrates and analyzes the ideas and practices of the military during the Civil War. Furthermore, by grounding this collection in both traditional and pioneering methodologies, the authors assess the impact of this field within the social, political, and cultural contexts of Civil War studies. *Upon the Fields of Battle* reconceives traditional approaches to subjects like battles and battlefields, practice and policy, command and culture, the environment, the home front, civilians, and combatants, atrocity, and memory, revealing a more balanced understanding of the military aspects of the Civil War's evolving history. *The Civil War Soldier* Michael Barton, Larry M. Logue, 2002-09. This excellent collection of selections from leading scholars on who the soldiers were, how they lived, and why they fought, is a fine introduction to years of research that seeks to answer that question. [A Buff Looks at the American Civil War](#) Shon Powers, 2011-04. There have been thousands of books put out about the Civil War, but none by a Civil War Buff, so I wrote one. This book was a produce of five years work and puts the war in a way that casual fans of the war will be surprised at what took place. This book is in three parts: Civil War Timeline, the events, battles, politics, and personal observations of those who were a part of the war. Things that any good soldier of the

Civil War should know the weapons uniforms food duties marching fighting medical advice and slang with a little tribute to the Navy and Marines Amazing Facts starting with the issues this part displays many facts that usually do not make it into the history books

Fighting Means Killing Jonathan M. Steplyk, 2020-10-05 War means fighting and fighting means killing Confederate cavalry commander Nathan Bedford Forrest famously declared The Civil War was fundamentally a matter of Americans killing Americans This undeniable reality is what Jonathan Steplyk explores in *Fighting Means Killing* the first book length study of Union and Confederate soldiers attitudes toward and experiences of killing in the Civil War Drawing upon letters diaries and postwar reminiscences Steplyk examines what soldiers and veterans thought about killing before during and after the war How did these soldiers view sharpshooters How about hand to hand combat What language did they use to describe killing in combat What cultural and societal factors influenced their attitudes And what was the impact of race in battlefield atrocities and bitter clashes between white Confederates and black Federals These are the questions that Steplyk seeks to answer in *Fighting Means Killing* a work that bridges the gap between military and social history and that shifts the focus on the tragedy of the Civil War from fighting and dying for cause and country to fighting and killing

Across the Divide Steven J. Ramold, 2013-04-22 Ramold disputes the old argument that citizen soldiers in the Union Army differed little from civilians He shows how a chasm of mutual distrust grew between soldiers and civilians during four years of fighting that led many Democratic soldiers to build the groundwork for the postwar Republican Party Filled with gripping anecdotes this book makes for fascinating reading Scott Reynolds Nelson College of William Mary Union soldiers left home in 1861 with expectations that the conflict would be short the purpose of the war was clear and public support back home was universal As the war continued however Union soldiers noticed growing disparities between their own expectations and those of their families at home with growing concern and alarm Instead of support for the war an extensive and oft violent anti war movement emerged In this first study of the gulf between Union soldiers and northern civilians Steven J Ramold reveals the wide array of factors that prevented the Union Army and the civilians on whose behalf they were fighting from becoming a united front during the Civil War In *Across the Divide* Ramold illustrates how the divided spheres of Civil War experience created social and political conflict far removed from the better known battlefields of the war Steven J Ramold Associate Professor of American History at Eastern Michigan University is the author of two previous books *Slaves Sailors Citizens African Americans in the Union Navy* and *Baring the Iron Hand Discipline in the Union Army* He and his wife reside in Ypsilanti Michigan

The Civil War Soldier Ray M. Carson, 2000-07-01 This fascinating exploration of the life of an ordinary Civil War Soldier captures nearly every aspect of daily life on and off the battlefield Vibrant photographs of Civil War reenactors have been hand colored with a technique similar to one used in the 1860s to create an authentic feel The accessible and informative text of each chapter is illuminated by first person accounts letters and diary entries from actual Civil War soldiers Learn about nearly every aspect of the soldier s life including Joining up with the army Training and

equipment Camp Life Medicine surgery and doctoring Battle See what it was like to be a soldier in one of the most defining conflicts in American history *The Union War* Gary W. Gallagher, 2012-09-03 Today many believe the Civil War was fought over slavery This view satisfies our contemporary sense of justice but as Gallagher's searing revisionist history shows it is an anachronistic judgment Northern citizen soldiers fought the war to preserve the Union Emancipation was secondary to the war's primary goal of safeguarding the republic

Religion and the American Civil War Randall M. Miller, Harry S. Stout, Charles Reagan Wilson, 1998-11-05 The sixteen essays in this volume all previously unpublished address the little considered question of the role played by religion in the American Civil War The authors show that religion understood in its broadest context as a culture and community of faith was found wherever the war was found Comprising essays by such scholars as Elizabeth Fox Genovese Drew Gilpin Faust Mark Noll Reid Mitchell Harry Stout and Bertram Wyatt Brown and featuring an afterword by James McPherson this collection marks the first step towards uncovering this crucial yet neglected aspect of American history

Uncover the mysteries within Crafted by is enigmatic creation, Discover the Intrigue in **Civil War A Soldiers View** . This downloadable ebook, shrouded in suspense, is available in a PDF format (PDF Size: *). Dive into a world of uncertainty and anticipation. Civil War A Soldiers View Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Civil War A Soldiers View free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Civil War A Soldiers View free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Civil War A Soldiers View free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Civil War A Soldiers View. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research

papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Civil War A Soldiers View any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Civil War A Soldiers View Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Civil War A Soldiers View is one of the best book in our library for free trial. We provide copy of Civil War A Soldiers View in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Civil War A Soldiers View. Where to download Civil War A Soldiers View online for free? Are you looking for Civil War A Soldiers View PDF? This is definitely going to save you time and cash in something you should think about.
