**Joseph Johnston**

## **Civil War In Ulster Its Objects And Probable Results:**

Civil War in Ulster Joseph Johnston,1999 Roy Johnston was an Ulster Protestant Liberal in favor of Home Rule by Britain He published this book in 1913 to persuade the majority of Ulstermen that the dangers they saw were imaginary and that avoiding Home Rule was not worth a civil war He examined the events leading up to the massive arming of the Orangemen He made the case that Home Rule had many positive features and that none of the perceived negative features were worth fighting a civil war to avoid In the Classics of Irish History series this is its first reprinting since 1914 *Civil War in Ulster: Its Objects and Probable Results* Joseph Johnston (Fellow of Trinity College, Dublin.),1914 **Civil War in Ulster: Its Objects & Probable Results** Joseph JOHNSTON (Fellow of Trinity College, Dublin.),1913 **Protestant Nationalists in Ireland, 1900-1923** Conor Morrissey,2019-10-10 An innovative and original analysis of Protestant advanced nationalists from the early twentieth century to the end of the Irish Civil War *Gleanings and Memoranda* ,1913 **Civil War in Ulster** Joseph Johnston,2015 **Armed Struggle** Richard English,2008-09-04 A timely work of major historical importance examining the whole spectrum of events from the 1916 Easter Rising to the current and ongoing peace process fully updated with a new afterword for the paperback edition An essential book closely reasoned formidably intelligent and utterly compelling required reading across the political spectrum important and riveting Roy Foster The Times An outstanding new book on the IRA a calm rational but in the end devastating deconstruction of the IRA Henry McDonald Observer Superb the first full history of the IRA and the best overall account of the organization English writes to the highest scholarly standards Moreover he writes with the common reader in mind he has crafted a fine balance of detail and analysis and his prose is clear fresh and jargon free sets a new standard for debate on republicanism Peter Hart Irish Times The one book I recommend for anyone trying to understand the craziness and complexity of the Northern Ireland tragedy Frank McCourt author of Angela's Ashes **Bibliography of Irish History 1912-1921** James Carty,2012-03-30 An invaluable reference work of which only 750 copies were originally printed providing a remarkably complete list of titles published during this most troubled period in Irish history the period stretching from the passing of the Home Rule Bill in Britain's Parliament through the raising of rival Unionist and Nationalist volunteer militias in northern and southern Ireland the Great War the Easter Rising and the guerilla war against British forces which led to Irish independence An incredibly useful book providing a jumping off board for anyone wanting to research the political and military history of the era Publications are listed alphabetically by brief chronological period *Allgemeine Bibliographie Der Staats- und Rechtswissenschaften* ,1914 *Bookseller and the Stationery Trades' Journal* ,1913 **The Irish Book Lover** John Smyth Crone,Seamus O'Cassidy,Colm O Lochlainn,1914 Irish Freedom Richard English,2008-09-04 Richard English's brilliant new book now available in paperback is a compelling narrative history of Irish nationalism in which events are not merely recounted but analysed Full of rich detail drawn from years of original research and also from the extensive specialist literature on the subject it offers explanations of

why Irish nationalists have believed and acted as they have why their ideas and strategies have changed over time and what effect Irish nationalism has had in shaping modern Ireland It takes us from the Ulster Plantation to Home Rule from the Famine of 1847 to the Hunger Strikes of the 1970s from Parnell to Pearse from Wolfe Tone to Gerry Adams from the bitter struggle of the Civil War to the uneasy peace of the early twenty first century Is it imaginable that Ireland might as some have suggested be about to enter a post nationalist period Or will Irish nationalism remain a defining force on the island in future years a courageous and successful attempt to synthesise the entire story between two covers for the neophyte and for the exhausted specialist alike Tom Garvin Irish Times Gleanings and Memoranda ,1914 **Uebersicht der gesamten staats und rechtswissenschaftlichen litteratur ...** Otto Mühlbrecht,1914 **Irish Economic and Social History** ,1974 **Bibliographia economica universalis** ,1914 **British Opinion and Irish Self-government, 1865-1925** Gary Peatling,2001 The movement in British public opinion towards the acceptance of Irish self government in the late nineteenth and early twentieth centuries has not been systematically investigated by historians The result is that British acceptance of political independence in Ireland has been regarded as the result of a combination of self interested machinations by politicians and a weak and distracted response to political violence This book posits a different explanation which emphasises the influence of international developments on the ideological context of British attitudes to Ireland in these years *Bullán* ,2001 **Bibliography of Irish History, 1870-1911, [&] 1912-21** National Library of Ireland,1936 *The Failure of the Northern Ireland Peace Process* Gary Peatling,2004 This book is a surprisingly broad study of the Northern Ireland conflict and peace process with an unusual and contentious hypothesis though one ultimately likely to prove useful even to those who disagree with it The book is influenced by a sense of the interlacing nature of political groups and dynamics in Northern Ireland which evinces understanding of though not empathy with even mutually exclusive positions in a way few writers on the Northern question draw out This sense that even groups often portrayed as intransigent find a constituency in Northern Ireland based upon the lived experience of groups and communities is underpinned by the book s view of identity and its consequences The book also addresses much discussed wider controversies such as debates surrounding immigration terrorism and September 11th and national identity It addresses these issues with unorthodox conclusions and it is guaranteed to be of interest to intelligent non specialists as well as to academics and policy makers
