Civil War Military Leaders In Photographs:

Civil War Military Leaders in Photos Mathew Brady, Frances A. Davis, 1998 This magnificent portrait gallery documents the men who took command during the dark and bloody days of the nation's greatest internal calamity. Two dozen photographs the work of famed Civil War photographer Mathew Brady and his contemporaries depict a roster of celebrated Union and Confederate leaders including Abraham Lincoln, Robert E. Lee, Jefferson Davis, and Ulysses S. Grant. Also depicted are Confederate officers James Longstreet, J. E. B. Stuart, Stonewall Jackson, and Nathan Bedford Forrest, along with their Union adversaries William Tecumseh Sherman, Philip Sheridan, George Brinton McClellan, George Gordon Meade, and many others. Carefully reproduced in card format, these reprints of rare original photographs constitute a superb archive of the combined military leadership of the North and the South. Selected by David Madden and with informative notes by Leah Wood, both affiliated with the U.S. Civil War Center in Baton Rouge, Louisiana, these striking cards are ideal as postcards, bookmarks, gift cards, and more.

Battles and Leaders of the Civil War Robert Underwood Johnson, Clarence Clough Buel, 1888 [Lens of War](#) J. Matthew Gallman, Gary W. Gallagher, 2015-04-15 *Lens of War* grew out of an invitation to leading historians of the Civil War to select and reflect upon a single photograph. Each could choose any image and interpret it in personal and scholarly terms. The result is a remarkable set of essays by twenty-seven scholars whose numerous volumes on the Civil War have explored military, cultural, political, African American, women's, and environmental history. The essays describe a wide array of photographs and present an eclectic approach to the assignment organized by topic: Leaders, Soldiers, Civilians, Victims, and Places. Readers will rediscover familiar photographs and figures examined in unfamiliar ways, as well as discover little-known photographs that afford intriguing perspectives. All the images are reproduced with exquisite care. Readers fascinated by the Civil War will want this unique book on their shelves, and lovers of photography will value the images and the creative, evocative reflections offered in these essays.
