Frederick Charles Roe,1956 **Introduction to French Civilization** May Whiting,Jacob Hieble,2012-04-01 **French Civilization in the Nineteenth Century** Albert Leon Guerard,2015-07-05 Excerpt from French Civilization in the Nineteenth Century A Historical Introduction The present work is the outcome of a course of lectures delivered at Stanford University California during the second semester of the academic year 1912 13 The original purpose of this study and its main object was to supplement the usual University courses in French literature But I trust it may be found of some use for the general reader who wishes to follow with intelligent interest the tangled problems of modern French life I need hardly say that within the short compass at my disposal I could barely give the outlines of my immense subject I tried to eschew unnecessary details but in order to avoid vagueness and to make the book a practical instrument of study each section is preceded by its synopsis chronological and genealogical tables are added to all the historical parts and working bibliographies are appended The aim of these as of the whole book is not to be exhaustive but to point out the next step the most available and clearest account of the subject and especially the bibliographic instruments for further investigation For practical purposes only French and English authorities have been directly quoted The plan adopted involves repetitions but this artistic defect was found to be atoned for by pedagogical advantages About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
