**Steven Vine**

## **Blakes Poetryspectral Vision:**

*Blake's Poetry: Spectral Visions* Steven Vine,1993-02-16 William Blake is acknowledged as a poet of opposition and contradiction a writer who from Songs of Innocence and Experience to his last epic Jerusalem ceaselessly explored the conflicts between limitation and possibility reason and energy torment and joy But the contradictions within Blake s own visionary poetics are less often considered Throughout his work Blake powerfully dramatises the energies and agonies of his own poetic labour

**Blake's Poetry: Spectral Visions** Steven Vine,1993 William Blake is acknowledged as a poet of opposition and contradiction a writer who from Songs of Innocence and Experience to his last epic Jerusalem ceaselessly explored the conflicts between limitation and possibility reason and energy torment and joy But the contradictions within Blake s own visionary poetics are less often considered Throughout his work Blake powerfully dramatises the energies and agonies of his own poetic labour

**Visionary Materialism in the Early Works of William Blake** M. Green,2005-03-23 Incorporating the most recent discoveries concerning Blake s heritage and cultural context Visionary Materialism in the Early Works of William Blake The Intersection of Enthusiasm and Empiricism proposes a radical new reading of his early works that sees them taking enlightenment ideas to heights never dreamed of by Locke and Priestley Drawing on a careful analysis of key figures from both sides of the enlightenment counter enlightenment divide including Boehme Swedenborg the Moravians Lavater Brothers Erasmus Darwin the discussion traces an alternative tradition that disrupts previous assumptions about important aspects of Blake s thought

The Romantic Poets Uttara Natarajan,2008-04-15 This welcome addition to the Blackwell Guides to Criticism series provides students with an invaluable survey of the critical reception of the Romantic poets Guides readers through the wealth of critical material available on the Romantic poets and directs them to the most influential readings Presents key critical texts on each of the major Romantic poets Blake Wordsworth Coleridge Byron Shelley and Keats as well as on poets of more marginal canonical standing Cross referencing between the different sections highlights continuities and counterpoints

**Blake** ,1995 **Romantic Genius** Andrew Elfenbein,1999 Elfenbein takes on the absorbing subject of homosexuality in British Romantic writing showing the centrality of disreputable desires to the works of Romantic male authors from William Beckford to Samuel Taylor Coleridge to William Blake as well as to the writings of lesser known but equally significant female authors of the period

**The Blind and Blindness in Literature of the Romantic Period** Edward Larrissy,2007 In the first full length literary historical study of its subject Edward Larrissy examines the philosophical and literary background to representations of blindness and the blind in the Romantic period In detailed studies of literary works he goes on to show how the topic is central to an understanding of British and Irish Romantic literature While he considers the influence of Milton and the Ossian poems as well as of philosophers including Locke Diderot Berkeley and Thomas Reid much of the book is taken up with new readings of writers of the period These include canonical authors such as Blake Wordsworth Scott Byron Keats and Percy and Mary Shelley as well as less well

known writers such as Charlotte Brooke and Ann Batten Cristall There is also a chapter on the popular genre of improving tales for children by writers such as Barbara Hofland and Mary Sherwood Larrissy finds that despite the nostalgia for a bardic age of inward vision the chief emphasis in the period is on the compensations of enhanced sensitivity to music and words This compensation becomes associated with the loss and gain involved in the modernity of a post bardic age Representations of blindness and the blind are found to elucidate a tension at the heart of the Romantic period between the desire for immediacy of vision on the one hand and on the other the historical self consciousness which always attends it Key Features Original research on an important previously unexamined topic which will extend knowledge and understanding of the period Provides new readings of major authors and texts including Blake Wordsworth Coleridge and Keats Bryon and Shelley and Mary Shelley Examines non canonical texts including tales for children Makes a distinctive contribution to debate about Romantic understanding of history

**William Blake's Divine Love** Joshua Schouten de Jel,2024-03-15

Despite the fact that William Blake summarises the plot of Visions of the Daughters of Albion 1793 in just eight lines in the prefatory Argument there are several contentious moments in the poem which continue to cause debate Critics read Oothoon's call to Theotormon's eagles and her offer to catch girls of silver and gold as either evidence of her rape damaged psyche or confirmation of her selfless love which transcends her socio sexual state How do we reconcile the attack of Theotormon's eagles and the wanton play of the girls with Oothoon's articulate and highly sophisticated expressions of spiritual truth and free love In William Blake's Divine Love Visions of Oothoon Joshua Schouten de Jel explores the hermeneutical possibilities of Oothoon's self annihilation and the epistemological potential of her visual copulation by establishing an artistic and hagiographical heritage which informs the pictorial representation and poetic pronunciation of Oothoon's enlightened entelechy Working with Michelangelo's The Punishment of Tityus 1532 and Gian Lorenzo Bernini's Ecstasy of Saint Teresa 1647 51 Oothoon's ecstatic figuration reflects two iconographic traditions which framed by the linguistic tropes of divine love expressed within a female centred mystagogy reveal the soteriological significance of Oothoon's willing self sacrifice

*William Blake* William Blake,2008 This comprehensive selection includes complete texts of all Blake's best known work The Songs of Innocence and of Experience The Marriage of Heaven and Hell The Book of Thel Visions of the Daughters of Albion America The Book of Urizen and Laocoon All Blake's significant lyric poems are included and there are generous selections from The Four Zoas Milton Jerusalem and The Everlasting Gospel Each work including the individual Songs has an introduction describing a range of critical opinion The annotation the most detailed of any single volume Blake glosses difficult terms provides information on Blake's intellectual and poetic sources and his historical contexts describes significant differences between the unique individual copies of each illuminated book and discusses all aspects of contemporary Blake scholarship Modernization addresses the difficulties of Blake's text for first time readers The visual aspects of Blake's composite verbal visual art is fully acknowledged every design from the illuminated books selected is described in detail The

book also contains overall introductions to discuss critical approaches to Blake's poetry interpreting his designs and the issue of modernizing his text

**William Blake** Steven Vine, 2007 Steve Vine's study introduces the full range of William Blake's poetry and illuminated books from the early Songs to the late epics and focuses on the socially radical and challenging nature of his art

**Blake's Critique of Transcendence** Peter Otto, 2000 Blake's Critique of Transcendence is the first full length book to examine in any detail or consistency the relation between Blake's text and the visual designs in *The Four Zoas* one of the most important works in Blake's oeuvre It uncovers a Blake deeply engaged with the cultural discourses of his time in profound dialogue with Swedenborg Locke and Young In the course of this conversation Blake anatomizes a remarkable variety of cultural practices including religion science and art designed to achieve transcendence He focuses in particular on the fate of the body in cultures of transcendence developing perhaps the first theory of sexual sublimation Blake's radical visual and verbal strategies in this poem are part of an attempt to defer the movement of transcendence long enough for the reader to see the warring elements of the fallen world as the dismembered body of humanity

**Emily Brontë** Steven Vine, 1998 The power and reputation of *Wuthering Heights* has tended to eclipse Brontë's remarkable poetic output as well as her stunning French essays penned during six months in 1842 Steve Vine's original study *Emily Brontë* brings these neglected aspects of her work back into view relating them to the turbulent energies of *Wuthering Heights* while also paying close attention to Brontë's autobiographical diary papers paintings and drawings
