Blessings And Curses

Gary W. Grout

Blessings And Curses:

Blessing or Curse Derek Prince,2006-09-01 Life s trials and triumphs can seem accidental One person may feel that life is a constant struggle in which pitfalls abound and someone seems out to get him Another may feel that every day is a gift from God with special blessings just for her That s because forces are at work in our lives the blessings of a loving God or the curses of our spiritual adversary This hugely popular classic work of Derek Prince helps readers recognize if there are curses at work in their lives and shows them how to get out from under those curses to live under God s blessings This third edition of Blessing or Curse includes an extensive new study guide for small group or individual use

Bless, and Curse Not Gary W. Grout,2020-10-23 It feels like I take one step forward two steps back Yet some people seem to move from one golden opportunity to the next Could these remarks be observations of the effects of modern day curses and blessings The Bible has much to say on the subject Bless and Curse Not will open your understanding to the Biblical principles of blessings and curses In it you will learn of the destructive power of generational curses hereditary curses word curses and self curses You will also learn how to change for the better the circumstances of those you love by the power of blessings Subjects covered include Curses need to be removed The cause of a curse must be removed Our responsibility in removing curses The power and authority of the believer to bless What blessings can we make Whom should we bless Identify curses operating in your life Identify your own special familial blessings Containing over three hundred pages of Scriptural curses and blessings arranged in tabular form by symptoms this book allows you to pinpoint the curses hindering you and your family and the blessings to replace them Bless and Curse Not by Gary W Grout is comprehensive in its coverage of the subject clear in its presentation and practical in its application to our lives

Blessings And Curses Zacharias Taneë Fomum,2020-06-12 Some people are operating under a curse while others are operating under a blessing Blessing is a supernatural force working to promote you and to advance you When you are operating under a blessing you rise to heights totally beyond any logical explanation of your talents your gifts and your abilities On the other hand a curse is an invisible force that frustrates you An invisible force which is there to make you to be left out A curse is as if you have an invisible enemy standing on your way It s as if there is an invisible barrier standing in your way There are some people who everything they touch goes wrong Other people may be succeeding but when they get there it goes wrong Such people are said to be functioning under a curse The author further explains that blessings and curses belong to the invisible Blessings and curses are vehicles of supernatural spiritual power Blessings produce good and beneficial results while curses produce bad and harmful results We send this book out with a heart cry that as you read it you may be able to identify whether you are acting under a curse and cooperate with God for it to be broken On the other hand knowing that you are functioning under a blessing would help you to in a conscious way cooperate with God to continue abiding in His blessing

Blessings and Curses John Visser,2004 I have set before you life and death blessings and curses Now choose life so that you and your children may live Deuteronomy

30 19 I awoke with a knife at my throat Why did you make me born my son said angrily Don t you know I don t want to be here How does a mother answer that I railed in pain and frustration How can the Lord allow this to go on Why bring me to life only to live with this My son is completely tormented I am in shambles Where is the glory for God in that from Ivy s story page 297 Both blessings and curses are biblical realities While we prefer to dwell on blessings honesty compels us to admit that curses are every bit as much a part of biblical reality Accordingly this book aims to answer three questions What are blessings and curses What do they look like and where do they come from How are they passed on from one generation to the next What are the provisions God has made in Christ to break the power of the curse and replace it with the blessing Filled with numerous true stories of redemption and hope Blessings Curses The Key to Lasting Change illustrates how much Jesus delivers us from the power of the curse and restores us to the promised blessings of God John Visser is the Senior Pastor of the 750 member Maranatha Church in Belleville Ontario Canada In addition to his various pastoral duties he carries on an extensive counselling ministry designed to help people discover and live out the freedom of life in Christ He and his wife Michelle have four children and six grandchildren

Blessing Or Curse Derek Prince, 2000 To enjoy the benefits of God s blessings and be protected from curses we need to understand how these forces work *BLESSINGS, CURSES, AND SPIRITUAL ATTACKS* GODSWORD GODSWILL ONU, 2015-02-13 All of us want blessings while we detest curses and spiritual attacks But how do blessings curses and spiritual attacks come And do we have any part to play as far as their coming is concerned Though some blessings curses and spiritual attacks come without link to what we as individuals did and do yet some of them are connected to our actions and speeches And you can bless or curse yourself Spiritual attacks are projected by the wicked spirits and their human agents The devil has no true or real blessing Even though God s Judgment does not come immediately because we are in the New Testament God does punish sins and disobedience with curses losses death and destruction Sin and disobedience will open the door for the devil in your life

The Blessing and the Curse Jeff S. Anderson, 2014-07-07 The magical power of the spoken word is a topic that often comes up in a discussion of biblical blessings and curses What is the source of social and linguistic power behind these blessings and curses Many theologians would agree that God can and does bless but does God also curse If so what does that mean to the biblical theology of the Old Testament and the Christian church Anderson s *The Blessing and the Curse* applies speech act theory as one way to understand the performative function of blessings and curses The concept of speech acts provides a method of recognizing the potent social power of language to accomplish certain ends without drawing a hard line of distinction between word magic and religion Even though the chief concepts and practices of blessings and curses are deeply rooted in the broad cultural environment of the ancient Near East tracing specific trajectories of Old Testament blessings and curses as theological themes conveys broad inescapable implications for the biblical narrative and the Christian church *Blessings and Curses* Peter Wyns, 2008-10

Walking Through the Weeds Lawrence S. Perry, 2012-08 Have you ever wondered if

you have been cursed in your life Have you searched for answers as to why bad things have happened when you thought you were following God's will Have you ever found yourself stuck in a painful situation and you don't know your way out Have you doubted if God knows who you are and has your ZIP code Have you even been confused in your reading of the Scriptures as you sought to follow your belief system Have you failed to see the angels that God has sent Then Walking through the Weeds can help you better understand what God is doing in your life

Blessings, Curses, and Spiritual Attacks Godsword Onu,2015-02-11 All of us want blessings while we detest curses and spiritual attacks But how do blessings curses and spiritual attacks come And do we have any part to play as far as their coming is concerned Though some blessings curses and spiritual attacks come without link to what we as individuals did and do yet some of them are connected to our actions and speeches And you can bless or curse yourself Spiritual attacks are projected by the wicked spirits and their human agents The devil has no true or real blessing Even though God's Judgment does not come immediately because we are in the New Testament God does punish sins and disobedience with curses losses death and destruction Sin and disobedience will open the door for the devil in your life

Blessings & Curses John A Solgat,2025-09-15 Blessings and Curses Oh how we prefer the former over the latter If only we could be continually blessed and never cursed Is it possible to be both blessed and cursed at the same time I believe that it is and will make that case in this tome There are two witnesses in the Bible where God says that if we obey His instructions we will be blessed and when we do not we will be cursed Those can be found in Leviticus 26 and again in Deuteronomy 27 28 There does not seem to be a middle ground obey and be blessed disobey and be cursed If that is true how can blessings and curses be happening at the same time It all comes down to God's covenants We will dig into all of that and there will be some surprising reveals along the way We will explore prophecies about events in our near future in a way that you may not have considered

Blessings and Curses Gary Smith,2022-05-04 I firmly believe going back to the Bible truth is our only source of peace and eternal security I believe God wants to bless America as well as the entire world But he cannot and will not until we turn back to God and repent Psalms 51 your hope and peace can be found in none other than Jesus Christ and the whole unadulterated Word of God May God help us all to make that commitment

Blessings and Curses Derek Prince,2003-10-01 Each affordable book in the Biblical Truth Simply Explained series examines a vital aspect of the Christian faith The books are written by a variety of authors all in a way that presents the message of the Bible clearly and simply British editions of this series published by Sovereign World have sold more than a million copies in all
