The Brimstone Wedding Barbara Vine,2011-12-14 Both a finely crafted mystery and a disturbingly honest depiction of the kinship between love and madness The Brimstone Wedding tells an unsettling story about the power and the poison of love A gracious dignified woman who's dying in an English nursing home reveals the secrets of her erotic past to her young caretaker

The Brimstone Wedding Barbara Vine,1996 Jenny's marriage is loveless and she is having an affair She works at an old people's home where she is especially fond of Stella a woman dying of cancer whose own secrets parallel Jenny's with the difference that she may have been involved in murdering her lover's husband

Brimstone Wedding Barbara Vine,2004 Unlike the other residents of Middleton Hall nursing home Stella is elegant smart and in control She keeps to herself and reveals nothing of her past Only Jenny her care assistant and friend knows that she harbours a dark painful mystery

The House of Stairs Ruth Rendell,2011-02-22 From a New York Times bestselling author A novelist pieces together the murderous past of an old friend smoldering suspense literally unputdownable Time Out When writer Lizzie Vetch has tea with her old friend Bell Sanger the women are reunited for the first time in nearly two decades Limbo years Lizzie calls them full of all the terrible things that passed between them Specifically a murder for which Bell served time and has only recently been released from prison Seemingly out of kindness Lizzie agrees to let Bell move back into the House of Stairs the five story Notting Hill boardinghouse where seventeen years ago a dreadful crime was committed Maybe here among the other odd residents Lizzie can help pull Bell's life together again But is it compassion or something else Because the more Lizzie's long suppressed memories are stirred the more her motives for keeping Bell close are called into question As for Bell she has her own reasons for moving back into the House of Stairs with Lizzie It's not to put the past behind them It's to confront it step by step Revealed in baleful flashbacks a chilly

obsession takes shape a convicted murderess and a cruel design sidle out of the shadows The Observer in Edgar Award winner Ruth Rendell s compelling and disturbing psychological thriller The Sunday Times The Chimney Sweeper's Boy Ruth Rendell,2011-02-22 A daughter s research into her father s life unearths shocking family secrets in this frightening novel Express on Sunday After celebrated English author Gerald Candless dies of a heart attack at his clifftop home above Gaunton Dunes in Devon his eldest daughter Sarah is commissioned to write his biography Ever present in her life her father was generous passionate and talented yet always a bit of a mystery Who s to blame for his chilly relationship with her mother that seemed to survive something unspoken Why in each successive novel did he seem to reinvent himself never settling for one public persona What of his odd little parlor games for which only he knew the rules and purpose And was it really true that he had no living relatives What begins as an admiring project becomes an obsession For Sarah s first discovery is a stunner Gerald Candless was not his real name The more she uncovers the deeper Sarah s fear and fascination grows Her father s life was nothing more than an ingeniously plotted work of fiction As each lie gives way to another her journey into the past of a familiar stranger gets so dark that seeing the truth could be last thing she wants From the New York Times bestselling author of Dark Corners and three time Edgar Award winner comes a novel about the power of taboos transgressions guilts deceptions horrors atonements upsets and upheavals Independent And it s as jolting as a flash of lightning Sunday Times **Post-War British Women Novelists and the Canon** Nick Turner,2011-11-03 With the increasing number of books on contemporary fiction there is a need for a work that examines whom we value and why These questions lie at the heart of this book which by focusing on four novelists literary and popular interrogates the canon over the last fifty years The argument unfolds to demonstrate that academic trends increasingly control canonicity as do the demands of genre the increasing commercialisation of literature and the power of the literary prize Turner argues that literary excellence demonstrated by style and imaginative power is often missing in many works that have become modern classics and makes a case for the value of the universal in literature Written in a jargon free style with reference to many supporting writers the book raises a number of significant cultural questions about the arts fashions and literary reputations of interest to readers in contemporary literary studies The Essential Mystery Lists Roger M Sobin,2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sobin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected Several of the best of lists appear here for the first time in book form Several others have been unavailable for a number of years Of special note are Anthony Boucher s Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for The San Francisco Chronicle Ellery Queen Mystery Magazine and The New York Times From these resources Mr Sobin created Boucher s Best and Important Lists to Consider lists that provide insight
