

A dramatic landscape featuring dark, silhouetted mountains in the foreground. The sky is filled with large, dark clouds, with a bright, glowing light source (likely the sun) breaking through the clouds in the center, creating a warm, golden glow. The overall mood is one of hope and resilience.

You must go into the dark in
order to bring forth your light.

Bring Forth Your Light:

Bring Forth the Light Emmanuel,2012-12-14 I was given this moment of time to allow me the way to go home or a split second of reaction time to stay I knew I would only have that second to react and my mind knew what it needed to do We both were feeling as if we were paralyzed as we could think but couldn't move Remember time was standing still for us and we were in that moment of time Just as time was very slowly starting to kick in for us both I was able to begin lifting my arm to block the axe still in slow motion The axe was coming right at me and I knew if I missed the axe was going to kill me in front of my son I knew it would be lights out for me but tragedy for Aubrey Its funny how we both knew and both could see that my life was going to end I believe that in life we have checkpointspoints in life we can choose to go home by or continue on in life if we want to continue For me this was a checkpoint but what would that mean for Aubrey Could you imagine being with someone you love and watching an axe split them open before your very eyes That was not a moment I wanted Aubrey to bear I knew I couldn't leave such a loving being with such tragedy to deal with This was not going to happen I was going to go on for yet another day

Teachings of the Seraphim Angel Karael Jon Wright,2005-07 Karael and Jondee have traveled many lifetimes in a partnership for the good of mankind Jondee s first experience with Karael in this lifetime was when he was five years old He had been lying by the fireplace when he felt as if someone had entered the room When he looked back behind him he saw Karael and there was an instant recognition Even as a small child Jondee was very aware of his purpose to bring Karael into this lifetime There was a lot of learning to take place before that was to occur Jondee studied intensively with Karael as the years passed until he had mastered the skill of becoming a transchannel He has learned the Truths of the Almighty and the Great Council Though he presents himself as a very humble man his understanding of the Angelic realm goes beyond the spoken word Doctors scientists and religious leaders around the world have studied Jondee and Karael There are no explanations in the modern day science books to describe their phenomenal presentation Together they have traveled throughout the world offering the wisdom of the Divine to guide us back to the Almighty
