Bring Joy:

Encouragement for the Day Charles Allard, 2022-04-12 *Encouragement for the Day* Messages of Inspiration and Challenge expands on the messages Pastor Charles Allard delivered on three North Carolina radio stations in the 1980s and 1990s The popular daily messages of encouragement were broadcast at random times reaching a wide audience of listeners High school students riding buses were known to hush their classmates to hear the messages One listener even called Allard at 1 30 a m to tell him that he had just heard one of his messages and that was in a place he should not be and wanted to turn his life over to Jesus Topics featured include setting priorities finding your purpose giving glory to God hearing the Lord speak being patient counting your blessings focusing on what matters and taking responsibility for your actions Written for daily meditation prayer and spiritual growth the devotional will help you overcome everyday struggles encourage others to walk with the Lord and look to Christ for help strength and salvation Hebrews 10 24 25 NIV let us consider how we may spur one another on toward love and good deeds not giving up meeting together as some are in the habit of doing but encouraging one another and all the more as you see the Day approaching SPECIAL INCLUSION A complete guide for home Advent celebration with family and friends

Jesus RX Eva Popek, 2024-07-29 Eva a pharmacist for twenty three years and author of this book saw many patients trying to find hope in a pill She was dispensing medications because people didn't know how to deal with some of the issues in their life She was giving her patients something to treat the effects of anger unforgiveness divorce financial situations doubt fear etc Let's face it life can be stressful and cause fear to enter one's life What do we do when doubt or fear or a lack of joy is evident in our life While we don't deny traditional medicine plays a role while on this earth the mission statement for this book is to lead people first and foremost to the Great Physician for all of life's circumstances through the Word of God We don't deny medicine plays a part while on this earth Eva couldn't resist filling prescriptions from the Great Physician for love forgiveness peace doubt wisdom fear speech anger marriage children finance and joy As you work through each of the 12 studies you will be taking in spiritual medicine that may help with physical problems Get healthy and be well

The Psychology and Economics of Happiness Lok Sang Ho, 2013-10-30 Much attention has been given to the economics of everyday life which typically applies economic principles to the analysis of the different choices that people face under different situations Yet there are hardly any books on the economics of life an economics that takes the finite lifespan as the starting point and that looks at how one can maximize the subjective value from life given the constraint of the limited lifespan In this volume Lok Sang Ho suggests that the lack of progress in happiness among developed countries despite significant economic growth is due to a deficit of mental goods rather than a lack of material goods The author stresses the role of culture and mental habits in determining the efficacy of gaining mental goods which includes love a sense of security and autonomy contentment self esteem self acceptance and freedom from anxiety Drawing on empirical research the book explores how to invest work and consume from a whole life perspective

arguing that every action consumption investment or work should enhance the total quality of life This overriding concern about life itself is known as love The Psychology and Economics of Happiness uses the analytical framework of economists on a subject studied by positive psychologists drawing both from empirical evidence and from psychological literature It will be of interest to researchers and academics interested in economic and positive psychology as well as those from related fields keen to learn more about living fuller happier lives

Knowing Jesus Through the Gospels Gregory L.

Schultz,2025-10-08 The intention of this devotional is for it to be a Life Changing head and heart journey with Jesus through the Gospels As you go through the Gospels you will feel that you are going on a personal life changing journey with Jesus The daily devotional readings are designed to get you talking with Jesus each day about His life and yours Each day you will feel like you are on a journey with Jesus learning something new about Him and yourself As your understanding of His life grows so will your understanding of your life and its purpose grow This journey is a chronological journey of the life of Jesus as recorded in the Gospels i e Matthew Mark Luke and John We will cover all the passages in the Gospels on this Journey and Jesus life and teachings will come alive for you like never before The Gospels contain the record of Jesus life on earth recorded by those who knew him and walked with him Thus we have an amazing opportunity to dig into Jesus life and get to know him in a very personal way by talking to him about his life when he walked the earth By breaking His story into bite size pieces and getting you to interact with Jesus as the story unfolds your personal relationship with Jesus and your sense of connection with him on a daily basis will be greatly enhanced Each day begins with a Bible passage s from the Gospels an outline of the passage a commentary on the passage and a reflection and prayer time digging into the passage and talking to Jesus about it My greatest passion for writing this devotional is to help any person who desires to open the Gospels and get to know Jesus better

Shadows of Footsteps William Kofoed,2016-06-12 I do not know why most poets write poetry but I

know why I do so I write because a thought gets in my head and bounces around till I write it down You could say that I don t try to write but that I am forced to write Now I do try to write good poetry that people will enjoy reading but I don t try to write poems for people to read Most people find that they like some of my poems and hate others of them
