Circus Dictionary Geoff Stevens,2005      Circus Dictionary Geoff Stevens,2004      **Beliefs, Reasoning, and Decision Making** Roger C. Schank, Ellen Langer,2013-06-17 It is not unusual for a festschrift to include offerings from several areas of study but it is highly unusual for those areas to cross disciplinary lines This book in doing just that is a testimony to Bob Abelson's impact on the disciplines of social psychology artificial intelligence and cognitive science and the applied areas of political psychology and decision making The contributors demonstrate that their association with Abelson whether as students or colleagues has resulted in an impressive intellectual cross fertilization      **The Lion Tamer's Assistant** Solet Scheeres, Marjorie van Heerden,2022-04-01 Nothing exciting ever happens in the town of Kraaipan Especially not to Martjie who lives on a farm nearby But when Bertus Botha dares Martjie to climb on the Mafikeng train and peep inside one of the crates to see what's inside it's the beginning of a huge adventure Martjie ends up in one of the carriages with a circus lion Soon she gets to know the circus owners Mister and Madam Pagel and the other performers at the famous Pagel's Circus Mister Pagel is the world's strongest man and sticks his head inside the lion's jaws during every performance Madame Pagel drives to the bank with a lion sitting next to her in the car And plain old Martjie knows her life will never be the same again This exciting novel is loosely based on the history of the Pagel Circus which was known in every South African city and town in the previous century A wonderful story full of action adventure and the timeless magic of circus life      **Notes and Queries**, 1929      **The Director's Prism** Dasia N. Posner,2016-08-15 Finalist 2017 Theatre Library Association George Freedley Memorial Award Shortlist 2019 Prague Quadrennial Best Scenography and Design Publication Award The Director's Prism investigates how and why three of Russia's most innovative directors Vsevolod Meyerhold Alexander Tairov and Sergei Eisenstein used the fantastical tales of German Romantic writer E T A Hoffmann to reinvent the rules of theatrical practice Because the rise of the director and the Russian cult of Hoffmann closely coincided Posner argues many characteristics we associate with avant garde theater subjective perspective breaking through the fourth wall activating the spectator as a co creator become uniquely legible in the context of this engagement Posner examines the artistic poetics of Meyerhold's grotesque Tairov's mime drama and Eisenstein's theatrical attraction through production analyses based on extensive archival research that challenge the notion of theater as a mirror to life instead viewing the director as a prism through whom life is refracted A resource for scholars and practitioners alike this groundbreaking study provides a fresh provocative perspective on experimental theater intercultural borrowings and the nature of the creative process      *The Clabber Grrrl's Retreat* J.D.
