## Circus Featuring Toby Tyler:

**Toby Tyler, Or Ten Weeks with a Circus** James Otis, 2017-08-15 Toby Tyler tells the story of a ten year old orphan who runs away from home to join the traveling circus only to discover his new life isn't all he thought it would be. The difference between the romance of the circus from the outside and the reality as seen from the inside is graphically depicted. There are new adventures experienced and friends made. Toby's new friend Mr Stubbs the chimpanzee reinforces the consequences of what happens when one follows one's fantasy's rather than good sense. Originally published as a serial in a children's magazine then as a book. The book was made into a 1960's movie adaptation. By Disney. Thirty original illustrations by W A Rogers.

**Women of the American Circus, 1880-1940** Katherine H. Adams, Michael L. Keene, 2012-10-16 During the years 1880 to 1940 the glory days of the American circus a third to a half of the cast members were women a large group of very visible American workers whose story needs telling. This book using sources such as diaries autobiographies newspaper accounts films posters and route books first considers the popular media's presentation of these performers as unnatural and scandalous as well as romantic and thrilling. Next are the stories told by circus women which contradict and complicate other versions of their lives. Across America in those years an array of acts featured women such as tableaux freak shows girlie shows tiger acts and aerial performances all involving special skills and all detailed here. The book offers a unique and fascinating view of not just the circus but of what it meant to be an American woman at work.
