

Citizen Machiavelli

Mark Hulliung

With a new introduction by the author

Citizen Machiavelli

Sir George Newman

Citizen Machiavelli:

Citizen Machiavelli Mark Hulliung, 2017-07-05 Machiavelli has been viewed as the forerunner of the humanists of our day liberals and socialists who have discovered that moral ends sometimes require immoral means Against this interpretation Mark Hulliung argues that Machiavelli s humanism was rooted in classical notions of grandeur and greatness and that his prime reason for admiring the ancient Roman republic was that it conquered the world In short Machiavelli was at his most Machiavellian precisely when he voiced his civic humanism Hulliung argues that Machiavelli s embrace of fraud and violence cannot be justified by patriotism or a professed concern with the common good He indicts Machiavelli s use and abuse of history in the service of his cynical agenda the quest for power Hulliung sees Machiavelli as a republican imperialist embracing the heroic pagan virtues and consciously subverting the humanistic tradition of Cicero and the religious morality of Christianity with an intentionally skewed interpretation of republican Rome By inverting the Stoical and Christian elements of the classics Machiavelli made the humanistic tradition give birth to Machiavellism its terrible child Hulliung s thesis is convincing and his book is a valuable contribution to the debate on Machiavellian thought

Mark Hulliung, 2017-07-05 Machiavelli has been viewed as the forerunner of the humanists of our day liberals and socialists who have discovered that moral ends sometimes require immoral means Against this interpretation Mark Hulliung argues that Machiavelli s humanism was rooted in classical notions of grandeur and greatness and that his prime reason for admiring the ancient Roman republic was that it conquered the world In short Machiavelli was at his most Machiavellian precisely when he voiced his civic humanism Hulliung argues that Machiavelli s embrace of fraud and violence cannot be justified by patriotism or a professed concern with the common good He indicts Machiavelli s use and abuse of history in the service of his cynical agenda the quest for power Hulliung sees Machiavelli as a republican imperialist embracing the heroic pagan virtues and consciously subverting the humanistic tradition of Cicero and the religious morality of Christianity with an intentionally skewed interpretation of republican Rome By inverting the Stoical and Christian elements of the classics Machiavelli made the humanistic tradition give birth to Machiavellism its terrible child Hulliung s thesis is convincing and his book is a valuable contribution to the debate on Machiavellian thought

Why Machiavelli Matters

John Bernard, 2008-12-30 Machiavelli 1469 1527 is the seminal figure in early modern intellectual history for those living or wishing to live in a functional democracy What Machiavelli is primarily about and what makes him indispensable to those of us living in and struggling to preserve democracy in America is the sum of individual and collective qualities required of a citizen or what he termed *virtu* a host of traits ranging from manliness to boldness ingenuity excellence self esteem and even stoic resignation In a narrative spanning Machiavelli s life and work as one of the world s most fascinating philosophers Bernard illuminates for the modern reader just how relevant his insights are to our own evolving debate on the appropriate relations between religion and politics church and state Besides offering a detailed sketch of Machiavelli as a chancellor in

the Italian Soderini Republic 1498-1512 this book examines the man's political philosophy particularly his complex view of republics and principalities in *The Prince*, the *Discourses* and the *Florentine Histories*. It also establishes the importance of Machiavelli's writing as it evolved during his exile especially in the reflexive passages of his plays *Mandragola* and *Clizia*. The book concludes with the potential uses of Machiavellism in 21st century mass democracies as well as presenting ways in which his legacy lives on in our own activities as citizens in a democracy

Machiavelli's New Modes and Orders Harvey C. Mansfield (Jr.), 1979 In the only full length interpretive study of Machiavelli's *Discourses* on Livy Harvey C. Mansfield provides a chapter by chapter commentary of this controversial and ambiguous work. Mansfield argues that Machiavelli's new modes and orders were intended to undermine the classical and Christian foundations of political philosophy and establish a new foundation not only for modern political philosophy but for modern politics as well. This penetrating study wrought by one of Machiavelli's foremost interpreters uncovers the hidden intricacies of the *Discourses*. It will inform and challenge its readers at every step

Poets, Princes, and Private Citizens Joseph M. Knippenberg, Peter Augustine Lawler, 1996-08-08 This collection of original and insightful essays was written by teachers seeking to restore literature as a powerful teaching tool in the undergraduate classroom. This book rejects postmodern theorizing, opting instead to assert that great poets, playwrights, and novelists self-consciously intended to impart compelling moral and political lessons. The essays focus on fundamental questions such as: What is justice? What does it mean to be a good human being? What are the strengths and weaknesses of a particular form of government? and How are we to understand and resolve the tensions between private affections and public responsibilities? This is important reading for anyone concerned about the impact of postmodern literary analysis

Machiavelli's Prince and Its Forerunners Allan H. Gilbert, 1968 [Book The First, Chapters 14-16 ; Book The Second, Chapters 1-18 ; Appendix](#) Pasquale Villari, 1892 **Columbia University Course in Literature**, 1929

Citizenship and the Survival of Civilization Sir George Newman, 1928 *The Two Cities* Maude Dominica Petre, 1925

Machiavelli: the Republican Citizen and the Author of 'The Prince', **A History of the Papacy from the Great Schism to the Sack of Rome** Mandell Creighton, 1928 *The International Quarterly*, 1901 **The International Monthly**, 1901 [International Monthly](#) Frederick Albert Richardson, 1901 **Book Review Index**, 1985 Every 3rd issue is a quarterly cumulation

Cambridge Modern History Sir Adolphus William Ward, 1907 **Belongings** Anthony Joseph Freitas, 2002 *International/Intertextual Relations* James Der Derian, Michael J. Shapiro, 1989 Drawing on the philosophies and intellectual approaches of numerous contemporary social critics: Nietzsche, Foucault, Barthes among others, this collection sheds light on the relationship between international theory and political power. Using such disciplines as genealogy, deconstruction, semiotics, feminist psychoanalytical theory, and intertextualism, these readings address such diverse topics as sovereignty, terrorism, the psychology of war, nuclear criticism, strategic culture.

Annotation c. Book News, Inc. Portland, OR booknews.com **The Discourses** Niccolò Machiavelli, 2013-11-28 Few figures in intellectual history have

proved as notorious and ambiguous as Niccol Machiavelli. But while his treatise *The Prince* made his name synonymous with autocratic ruthlessness and cynical manipulation, *The Discourses* c. 1517 shows a radically different outlook on the world of politics. In this carefully argued commentary on Livy's history of republican Rome, Machiavelli proposed a system of government that would uphold civic freedom and security by instilling the virtues of active citizenship and that would also encourage citizens to put the needs of the state above selfish personal interests. Ambitious in scope but also clear-eyed and pragmatic, *The Discourses* creates a modern theory of republic politics. Leslie J. Walker's definitive translation has been revised by Brian Richardson and is accompanied by an introduction by Bernard Crick which illuminates Machiavelli's historical context and his new theories of politics. This edition also includes suggestions for further reading and notes.

Citizen Machiavelli Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Citizen Machiavelli**," published by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound affect our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
