Cslewis On Scripture:

C.S. Lewis on Scripture Michael J. Christensen, 1989 C S Lewis thoughts on the nature of Biblical inspiration the role of revelation and the question of inerrancy *C.S. Lewis* David G. Clark, 2007-09-24 In this engaging book David Clark guides the reader through the theology of CS Lewis and illuminates the use and understanding of scripture in the works of this popular author Examines his life work world view and the implications of his theology in relation to his other writings Looks at Lewis beliefs on the topics of redemption humanity spiritual growth purgatory and resurrection Examines the different perspectives on Lewis and his work as prophet evangelist and as a spiritual mentor Explores the range and influence of Lewis work from the bestselling apologetic *Mere Christianity* to the world famous *Chronicles of Narnia* Features specially commissioned artwork throughout Written in an accessible style for general readers students and scholars and will introduce Lewis theology to a wider audience **The Feeling Intellect** Roger J. Newell, 2010-03-05 Christians of all backgrounds agree that the Bible is the unique sourcebook for our understanding and knowledge of God Yet reading the Bible is often as neglected in believers homes as amongst the skeptics Moreover there is much evidence that the Bible is as often misread in the modern church as we suppose it to have been widely misunderstood in the darkest days of Medieval superstition It would be an enormous help to sit with a deeply learned scholar one devoted to the historic Christian faith who yet taught with the common touch to help us mature in our reading of Scripture Such tutorials might rekindle our desire to read the Bible more skillfully with the humble discipline of daily practice C S Lewis has inspired a generation of readers both skilled and beginner to deepen their understanding and enjoyment of Scripture Perhaps Lewis s unique contribution to reading Scripture is his disciplined use of the imagination as the forgotten cognitive tool of our day This kind of reading attends to the text s emotional tone alongside the conceptual content in order to engender not just more knowledge about Scripture nor mere entertainment for dulled sensibilities but to enable a knowledge of God a reading for discipleship This is the kind of reading I hope to support in these chapters **C.S. Lewis and Scripture** Michael J. Christensen, 1977 **C.S. Lewis--The Work of Christ Revealed** P. H. Brazier, 2012-08-14 C S Lewis *The Work of Christ Revealed* focuses on three doctrines or aspects of Lewis s theology and philosophy his doctrine of Scripture his famous mad bad or God argument and his doctrine of christological prefigurement In each area we see Lewis innovating within the tradition He accorded a high revelatory status to Scripture but acknowledged its inconsistencies and shrank away from a theology of inerrancy He took a two thousand year old theological tradition of aut Deus aut malus homo either God or a bad man and developed it in his own way Most innovative of all was his doctrine of christological prefigurement intimations of the Christ event in pagan mythology and ritual This book forms the second in a series of three studies on the theology of C S Lewis titled *C S Lewis Revelation and the Christ* www.cslewisandthechrist.net The books are written for academics and students but also crucially for those people ordinary Christians without a theology degree who enjoy and gain sustenance from reading Lewis s work *Scripture in the*

Pain Study Guide breaks down each chapter into easy to understand questions and commentary to help you find meaning and hope amid the pain The Problem of Pain Study Guide expands upon Lewis elegant and thoughtful work where he seeks to understand how a loving good and powerful God can possibly coexist with the pain and suffering that is so pervasive in the world and in our lives As Christ followers we might expect the world to be just fair and less painful but it is not This is the problem of pain In addition to Scripture references discussion questions and related commentary The Problem of Pain Study Guide also provides easy to read chapter summaries highlighting overarching themes definitions and references To help with those more difficult discussion questions a complete Answer Guide and Scripture Reference Guide is available for free online This complete Bible study experience is perfect for book clubs church groups and independent study The Problem of Pain Study Guide includes Eleven sessions of study with multi week options included Comprehensive Bible study workbook with studies for each week Complete chapter summaries to go deeper Bible study questions that are ideal for group discussion Answer Guide for all questions and Scripture Reference Guide available for free online Perfect for book clubs small groups or individual Bible study Available in print or e book formats The problem of pain is inescapable and its effects profound The Problem of Pain Study Guide combines the wisdom of C S Lewis with the authority of Scripture to help you battle the issues and difficulties that lie ahead *Hermeneutics, Authority, and Canon* D. A. Carson, John Woodbridge, 2005-03-09 Among the many recent discussions of the nature and authority of Scripture I would judge this to be one of the most valuable Particularly in those essays that deal with the actual phenomena of the text of Scripture it displays a level of sophistication and of sympathetic awareness of alternative views that has too often been lacking In contrast to the backs to the wall tone of some conservative defenses of inerrancy these authors write for the most part with the confidence of those who have a coherent and well grounded position to offer The volume will I believe both help to commend Evangelical doctrine to those who suspect it of blind obscurantism and also contribute significantly to mutual understanding among Evangelicals who are too ready to polarize over their different assessments of what it means to honor Scripture as the Word of God R T France Vice Principal London Bible College These thought minded essays are the channel through which conservative scholars must steer for competent interaction with current critical theories for helpful direction in focusing the battle over Scripture and for reflection of conflict areas that Evangelicals must themselves resolve This work rises above the shallow shadow boxing over inerrancy and engages central concerns with academic ability and dignity It puts on the agenda issues that Evangelical leaders must now wrestle Does the Bible contain different kinds of truth Is all divine revelation rational Is the canon really post apostolic No reader will agree with all that is said some will loudly disagree here and there But all students will be stimulated and serious readers edified at the frontiers of current debate Carl F H Henry Lecturer at Large World Visio *C.S. Lewis* Susan Lowenberg, 1993 *NRSV, The C. S. Lewis Bible* C. S. Lewis, 2012-10-22 Invite C S Lewis into your reading of Scripture C S Lewis was one of the intellectual giants of the twentieth century and arguably the most thought

The Romantic Rationalist John Piper, David Mathis, 2014-09-08 We are far too easily pleased C S Lewis stands as one of the most influential Christians of the twentieth century His commitment to the life of the mind and the life of the heart is evident in classics like the Chronicles of Narnia and Mere Christianity books that illustrate the unbreakable connection between rigorous thought and deep affection With contributions from Randy Alcorn John Piper Philip Ryken Kevin Vanhoozer David Mathis and Douglas Wilson this volume explores the man his work and his legacy reveling in the truth at the heart of Lewis s spiritual genius God alone is the answer to our deepest longings and the source of our unending joy

A Hebraic Inkling P.H. Brazier, 2023-01-01 C S Lewis s enlightened foundational respect for the Jews as God s chosen people is a feature in much of his apologetic and theological writing Although as a boy and young man Lewis reflected much of the implicit anti-Semitism inherent in the public school educated Edwardian establishment this was replaced by deep respect when he became a Christian Later on Lewis s understanding was much enhanced by his wife Joy Davidman m 1956 born to American Jewish parents she was an adult convert to Yeshua Ha Mashiach Jesus Christ and Lewis referred to her as a Jewish Christian A Hebraic Inkling examines in depth this Jewish Hebrew influence in Lewis life and works Analysing some of his key writings in theology philosophy literature and apologetics his rigorous stand against anti-Semitism and affinity for Jewish literature and culture is

outlined as well as his vision of how Christians are enfolded into the chosen people This respect and affinity extended to Lewis own family when one of Joy s children sought to return to his mother s birth faith Lewis moved all to accommodate his wishes and raise him as a Jew after Joy s untimely death In the Highest Degree: Volume Two P. H. Brazier,2018-10-31 The theological and philosophical works of C S Lewis were grounded in the argument from reason being a form of revelation that predates nature and relates to the divine i e the Word of God Christ the Logos These essays provide some understanding of the essentials to Lewis s philosophical theology that is the essentia in the highest degree Lewis s corpus can seem disparate but here we find unity in his aims objectives and methodology a consistency that demonstrates the deep roots of his philosophical theology in Scripture Greek philosophy patristic and medieval theology and some of the Reformers all framed by a reasoned discipline from a perceptive and critical mind method and form content and reason for the glory of God From an analysis of reason to the evidence of Christ as the light of the world across human endeavors and religions a doctrine of election and an understanding of Scripture the Philosophy of the Incarnation as Lewis termed it in fundamental arguments with various modern liberal theologians we find evidence for the actuality of the incarnation the divinity of Christ
