Norton,Garrick Allen,Lindsey A. Askin,2022-06-30 By integrating conversations across disciplines especially focusing on classical studies and Jewish and Christian studies this volume addresses several imbalances in scholarship on reading and textual activity in the ancient Mediterranean Contributors intentionally place Jewish Christian Roman Greek and other reading circles back into their encompassing historical context avoiding subdivisions along modern subject lines divisions still bearing marks of cultural and ideological interests In their examination contributors avoid dwelling upon traditional methodological debates over orality vs literacy and social classifications of literacy instead turning their attention to the social historical groups of people circles and networks strata and class scribal culture material culture epigraphic and papyrological evidence functions and types of literacy and the social relationships that all of these entail Overall the volume contributes to an emerging and important interdisciplinary collaboration between specialists in ancient literacy encouraging future discussion between two currently divided fields **Introducing Archaeology** Michael Avi-Yonah,1973 **The Dead Sea Scrolls: A Very Short Introduction** Timothy Lim,2005-11-24 Everyone has heard of the Dead Sea Scrolls but amidst the conspiracies the politics and the sensational claims it can be difficult to separate the myths from the reality Timothy Lim here presents the true facts and leading theories behind the cultural and historical background of the scrolls and examines their significance for our understanding of the Old Testament and the origins of Christianity and Judaism He also tells the fascinating story of the scrolls since their discovery explains the science behind their deciphering and dating and does not omit the cast of characters scandals and controversies that have hastened the scrolls rise to the status of cultural icon ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **Jewish Literacy in Roman Palestine** Catherine Hezser,2001 Since Judaism has always been seen as the quintessential religion of

the book a high literacy rate amongst ancient Jews has usually been taken for granted Catherine Hezser presents the first critical analysis of the various aspects of ancient Jewish literacy on the basis of all of the literary epigraphic and papyrological material published so far Thereby she takes into consideration the analogies in Graeco Roman culture and models and theories developed in the social sciences Rather than trying to determine the exact literacy rate amongst ancient Jews she examines the various types social contexts and functions of writing and the relationship between writing and oral forms of discourse Following recent social anthropological approaches to literacy the guiding question is who used what type of writing for which purpose First Catherine Hezser examines the conditions which would enable or prevent the spread of literacy such as education and schools the availability and costs of writing materials religious interest in writing and books the existence of archives and libraries and the question of multilingualism Afterwards she looks at the different types of writing such as letters documents miscellaneous notes inscriptions and graffiti and literary and magical texts until she finally draws conclusions about the ways in which the various sectors of the populace were able to participate in a literate society

*Canaan and Israel in Antiquity: A Textbook on History and Religion* K. L. Noll, 2012-12-07 This comprehensive classic textbook represents the most recent approaches to the biblical world by surveying Palestine s social political economic religious and ecological changes from Palaeolithic to Roman eras Designed for beginners with little knowledge of the ancient world and with copious illustrations and charts it explains how and why academic study of the past is undertaken as well as the differences between historical and theological scholarship and the differences between ancient and modern genres of history writing Classroom tested chapters emphasize the authenticity of the Bible as a product of an ancient culture and the many problems with the biblical narrative as a historical source Neither maximalist nor minimalist it is sufficiently general to avoid confusion and to allow the assignment of supplementary readings such as biblical narratives and ancient Near Eastern texts This new edition has been fully revised incorporating new graphics and English translations of Near Eastern inscriptions New material on the religiously diverse environment of Ancient Israel taking into account the latest archaeological discussions brings this book right up to date

*Archaeology* Alan Edwin Day, 1978 **Proceedings of the Society of Biblical Archaeology** Society of Biblical Archæology (London, England), 1910 **Search for the Past**, 1974

Introduces the history methods and goals of archaeology and describes some of the major excavations of the Mediterranean area

*The Art of Mosaics*, 1975 An introduction to mosaics including the techniques of making mosaics and the history of wall and pavement mosaics in Greece Egypt Rome Africa the Holy Land and the Byzantine world **Marine Archaeology** Elisha Linder, Avner Raban, 1975 *WORLD ARCHAEOLOGY VOLUME 7*, 1975 *Israel Exploration Journal*, 1974

*Greek and Roman Art, Architecture, and Archaeology* William D. E. Coulson, Patricia N. Freiart, 1987 *Antiquity*, 1973

Includes section Reviews *World Jewry*, 1974 *Ancient Scrolls*, 1994 *The Transmission of the Pentateuch* Hila Dayfani, 2023-09-05 The volume focuses on variants between the Masoretic Text and the Samaritan Pentateuch prompted by

graphic similarities between letters As a phenomenon that occurs during the transmission of ancient texts an in depth study of the linguistic and paleographic background of these variants provides fruitful ground for the exploration of the Pentateuch transmission This volume gathers all the relevant variants from the Masoretic Text and the Samaritan Pentateuch comparing them to further witnesses primarily the Dead Sea Scrolls and the Septuagint Each case is examined independently through a linguistic analysis of the variants their process of development and an evaluation of which version is preferable when possible It then presents a statistical analysis of the data Moreover the volume offers a paleographic analysis of the interchanging letters in the three relevant scripts Hebrew Jewish and Samaritan script Through this process it determines the script in which the variants have occurred and estimates the chronological framework of the variants This study has implications for the textual history of the Samaritan Pentateuch and more broadly for the distribution of the Pentateuch and the extent of its transmission in the late Second Temple period
