

The image features a central graphic design. At the top, the words "YOU ARE" are written in a black, serif, all-caps font. This text is underlined with a thin gold horizontal line. Below this, the word "Invited" is written in a large, dark grey, cursive script font. The entire text is enclosed within a circular frame composed of two concentric gold lines. The space between the lines is not uniform, creating a decorative, open-ended effect at the top and bottom.

YOU ARE

Invited

And You Invited Me In

Daniel F McAuley

And You Invited Me In:

And You Invited Me In Cheryl Moss Tyler,2010-05-11 In this compelling novel the issue of love compassion and true belief is brought close to home when a conservative Christian sister has to decide whether or not to accept her brother despite his sexual identity back into her home to die in peace When Alex Marshall left his stifling small town behind he felt freedom for the first time in his life Rejected by his conservative Christian hometown for his homosexuality Alex becomes a successful lawyer active in the gay community and committed to his partner Scott But tragedy strikes in the form of AIDS as it rips away Alex s dignity and crushes his body He is near the end of his life Annie Whitley Alex s sister is faced with a difficult choice when a call from Alex comes out of the blue Should she travel to care for her estranged brother who represents the lifestyle she s been taught to hate and fear or stay away deny him and follow what the town demands Choosing Alex she begins to see how her decision impacts the entire community **And You Invited Me In** addresses the moral dilemma that many face how can people accept or even tolerate a way of life so different from anything they have been taught to believe is acceptable This interwoven tale speaks of love compassion and true belief as a family reconciles and a town comes to understand the truth of its faith and is resonant with the hymn of equality Time and Tide John Ruskin,1907
