Quick Fix? Struggling and Suffering Jesus Esquivel,2025-10-10 This book is about addressing issues that are holding us back keeping us stuck suffering and struggling There is hope The Bible has all the answers we need for biblical living and dealing with core psychological issues in a healthy way God meets our spiritual and psychological needs but we don t always see that when we are struggling or suffering In Bible times people didn t have psychology it s true but they had God s word and God knows what men women and children need to grow from infancy to mature adults We can t oversimplify people s problems and just ask them to pray more to solve deep rooted core issues because people and problems are complex We need to be careful to not reduce issues to one simplistic cause but rather understand that there are many causes our past traumas social and psychological influences etc God used prophets priests and leaders to counsel to encourage to teach In fact God gave a whole book on wisdom on how to deal with life Jesus counseled or talked and taught to people gave them truth and perspective about life and helped them to cope better This book takes an integrative approach to solving problems looking at our self worth and how the Bible and psychology work together to address the whole person whom God created
