And Mum Makes Three:

AND MOTHER MAKES THREE Liz Fielding, Yoko Tadatsu, 2016-08-25 The funeral for Bronte's mother has only just ended and Bronte is feeling rather down when she gets a letter. When she opens it she finds it is from a little girl named Lucy. Lucy identifies Bronte as her mother and begs her to grant just one wish for her daughter. At first Bronte is utterly confused by this letter but upon closer inspection she realizes that the letter was actually meant for her older sister Brooke. Brooke no longer lives with her and is now a famous TV personality and Bronte had never heard anything about her sister having a child. And then one day a man named Fitz comes to visit and suddenly steals a kiss from Bronte's lips.

Julie and Me and Michael Owen makes Three Alan Gibbons, 2010-12-23 For Terry Payne life is not much fun. His parents are splitting up and he's fallen desperately in love with the gorgeous new girl at school who doesn't even know he exists. To top it all off his beloved football team the mighty Man U are on a losing streak. As Terry sees Man U lose to Liverpool watches in horror as arch rival and school golden boy showers the beautiful Julie with attention and discovers the object of his affections is a Liverpool fan he starts to think that things can't get much worse. After all it's a close contest in Life versus Football and there can only be one winner. Can't there? Hilarious and heart warming this is a touching story about the ups and downs of life, love and more importantly football from award winning author Alan Gibbons.

Pattern Makers' Journal, 1909 50
Fantastic Ideas to Encourage Diversity and Inclusion June O'Sullivan, Nausheen Khan, 2022-06-23 _____ The 50 Fantastic Ideas series is packed full of fun, original, skills-based activities for Early Years practitioners to use with children aged 0-5. Each activity features step-by-step guidance, a list of resources, and a detailed explanation of the skills children will learn. Creative, simple, and highly effective, this series is a must-have for every Early Years setting. _____ A collection of 50 fun and effective activities to nurture kindness and inclusivity in your Early Years setting. Covering important topics such as gender, race, ethnicity, age, and mental health with positivity and openness, this book gives practitioners the confidence to build an inclusive environment for all children. Following the belief that children can be active agents of change, the ideas encourage children to ask questions, challenge prejudice, and celebrate diversity through a range of learning experiences, including making clay diyas to celebrate Diwali, exploring the world on a magic carpet, learning about other cultures through food, and learning Makaton.

Language, Gender and Children's Fiction Jane Sunderland, 2010-11-11 This is an original, scholarly yet accessible contribution to the field of children's fiction. It focuses on gender in relation to children's fiction and the role that language plays in this relationship. Girls and boys reading itself is looked at, as well as the books that they encounter, including the Harry Potter series, Louis Sachar's prizewinning *Holes*, fairy tales, and school reading schemes. The book treats fiction as fiction, using as its guiding principles the multimodality of much children's fiction: that fiction is almost always dialogic; that the feminist movement has had considerable influence on textual representations of women, men, boys, and girls; and that language, including what the characters say and how and what is said about them, is a key to the different

readings of fictional texts This will be a valuable resource for researchers in and students of linguistics language studies and English literature
