## **And Yet I Am Here:**

**Here, and Here** Vasilis Papageorgiou, 2009-12-14 Important to the essays here is the possibility of using logos without the negative restricting and violent aspects of logos In this respect I speak about affirmation and about tragic awareness rather than about the tragic itself or tragic conflict as I read texts of a literary democracy that is already here texts by Don DeLillo Tomas Tranströmer John Ashbery and Thanasis Valtinos or see arrangements by Lo Sn fall Indeed it is all about arrangements about knowing how to affirm and doing it rather than using language and its codes in order to transcribe however accurate this might be Arrangements say yes since they do not raise any absolute boundaries The arrangement is a logos without logos it is a cosmos where affirming is a tragically aware cosmetics Cosmos is neither the world nor any ordering or embellishment of this world but an openness as the incalculable accumulation of arrangements that say yes in their awareness that they do not amount to an ontology
