

An aerial, high-angle photograph of a city at night. The scene is dominated by a large, dark, multi-story building in the foreground, which appears to be a central hub or a large-scale construction project. The building's structure is complex, with many windows and a prominent central tower. In the background, several other tall skyscrapers are visible, their windows glowing with light. The overall atmosphere is dark and dramatic, with a focus on the scale and complexity of the urban environment.
