And The Twain Shall Meet Jason Hill,2022-08-01 Hans was up before the call at ten o'clock on Saturday evening He had been dreaming about the plight of the William R Jammison The dream had not been a pleasant one He was still at a loss to explain what had happened to the steering system between Friday when it was operating by the book and this morning when it was not Could it have anything to do with the two new unfamiliar crewmen A deckhand would not have access to any critical areas but an engineer definitely would He promised himself to keep a watchful eye on Norm Bitterman the new assistant in that department A talk with George Oliver the chief engineer would also be a wise move to alert him to what might turn out to be a problem There was no solid reason for Hans's suspicions but he preferred to take the cautious route

Balor,2019-07-10 What does Gerry Anderson's television series *SPACE 1999* have in common with Carl Sagan's award winning television documentary *COSMOS* Not very much one might expect but this book documents an Online Alpha discussion where fans of the science fiction series discuss and debate differences and similarities from a wide range of perspectives some of them arguing that two series may be so closely connected that it might be natural to think of *COSMOS* as the third year of *SPACE 1999* This book is written on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at [www.lulu.com](http://www.lulu.com)      *NGO's and the Universal Declaration of Human Rights* W. Korey,2001-02-02 When the Universal Declaration of Human Rights was adopted 50 years ago Eleanor Roosevelt its principal architect

predicted that a curious grapevine would carry its message behind barbed wire and stone walls This book tells the extraordinary story of how NGOs became the grapevine she anticipated sharpening our awareness about the violations of human rights shaming its most notorious abusers and creating the international mechanisms to bring about implementation of the Declaration Korey traces how NGO s laid the groundwork for the destruction of the Soviet empire as well as of the apartheid system in South Africa and established the principle of accountability for crimes against humanity The notion of human rights has progressed from being a marginal part of international relations a half century ago to stand today as a critical element in diplomatic discourse and this book shows that it is the NGOs that have placed human rights at the centre of humankind s present and future agenda
