Langtree and her team set off for the Belize Valley Area and the city of Lamanai She finds a thriving society based on Central American Indians of millennia before in the remains of the city as well as the Lamanai s gods Enter Lord Jericho Juriath the charismatic leader of a race of aliens known as the Allorvians He has brought the remainder of his people to Earth a planet his own ancestors helped seed long before the birth of Christ Earth was to be a safe haven a thriving planet his people could settle on disappearing into human society But like Colonel Langtree Juriath has found a world devoid of cities and technology With too many riddles that need solving and a prophecy he s not sure he believes in Juriath is left wondering what happened Both leaders are forced to make a choice forge an alliance with one another or go their own way Can they move past their differences and find love securing the prophecy that will save both of their people before the Allorvian s enemies find them Or are they doomed to repeat history and become slaves to a race older than time
