Guitar Music by Women Composers Janna MacAuslan, Kristan Aspen, 1997-08-07 A practical guide for guitarists searching for new repertoire that includes women composers this unique work lists musical works by instrumentation followed by biographies of each composer The format first leads users to available pieces in possible ensembles and then to the biographical section which introduces them to the composers many of whom have been completely unknown in the guitar world Appendixes list addresses for composers and publishers Indexes cross reference composers with their works Instrumentation entries include titles composer names publisher names specific instruments and length and description of the piece for indication of style In the biographical entries sources are given to guide the reader to more complete information about the composer These features combined with valuable appendixes indexes and cross referencing capabilities from section to section make this work easy to use [Recording the Classical Guitar](#) Mark Marrington, 2021-03-30 Recording the Classical Guitar charts the evolution of classical guitar recording practice from the

early twentieth century to the present day encompassing the careers of many of the instrument's most influential practitioners from acoustic era to the advent of the CD. A key focus is on the ways in which guitarists' repertoire programmes have shaped the identity of the instrument, particularly where national allegiances and musical aesthetics are concerned. The book also considers the ways in which changing approaches to recording practice have conditioned guitarists' conceptions of the instrument's ideal representation in recorded form and situates these in relation to the development of classical music recording aesthetics more generally. An important addition to the growing body of literature in the field of phonomusicology, the book will be of interest to guitarists and producers as well as students of record production and historians of classical music recording.

Master Anthology of New Classic Guitar Solos, Volume 1 Stephen Rekas, 2016-05-24. This collection presents original works by 21 modern-day composer-guitarists, including both well-known artists and gifted upstarts. Recommended for the intermediate to advanced player, with the exception of a few pieces in alternate tunings, the selections are written in standard notation only. Bio sketches, photos, performance notes, and a CD recorded for the most part by the composers themselves complete this musical portrait of the classic guitar in the 21st century.
