**Boyd's Handbook of Practical Apologetics** Robert T. Boyd, 1997-01-13 Scientific facts fulfilled prophecies and archaeological discoveries that confirm the Bible

**Seven Reasons Why You Can Trust the Bible** Erwin W. Lutzer, 2008-09-20 In a society where relativism is the most acclaimed philosophy it is of utmost importance that Christians believe absolutely that the Bible is the inerrant Word of God Erwin Lutzer takes readers on a journey of faith where they are asked some of the most fundamental questions a person could ask In his readable yet profound style Lutzer critically examines proof that will determine supernatural authenticity of the Bible

**7 Reasons Why You Can Trust the Bible** Erwin W. Lutzer, 2015-07-24 Can you trust the Bible Many answer this question with a staunch No Critics increasingly attempt to poke holes in the authority of Scripture and deflate faith among believers But ask Dr Erwin Lutzer if you can trust the Bible and he ll give a resounding Yes In this revised and expanded edition of the popular book 7 Reasons Why You Can Trust the Bible Dr Lutzer offers seven foundational arguments for the reliability of Scripture In clear easy to follow language he explores The Bible s claims about itself The historical reliability of the Bible The prophetic predictions of the Bible The claims of Christ concerning Scripture The harmony between science and the Bible The providence of God in preserving Scripture The power of the Bible to change lives In the court of truth the Holy Spirit testifies to the authority of Scripture and all the evidence lines up Read 7 Reasons and let your confidence in God s Word increase Dig deeper with the 7 Reasons Why You Can Trust the Bible DVD and Study Guide

**Is the Bible Divinely Inspired (Special Edition)** Richie Cooley, 2019-01-11 This book seeks to prove the Bible through science studies on Messianic prophecies and by examining divine patterns in the Word and in nature It has been newly revised in 2019

**A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

**God, Jesus, and Other Foolishness** Jeffrey A.

Kramer,2022-09-13 In our post Christian society many skeptics atheists and agnostics assume that the Christian faith involves belief in spite of a lack of evidence and that Christianity encourages its adherents to be satisfied with not understanding the world This is untrue Christianity has a legacy of thought and logic and a convincing case can be made that modern science and Western culture could only have sprung from the Judeo Christian worldview Although questions of origins purpose and meaning are not easily proved true in a scientific or empirical sense things can be true without empirical proof It does not follow that religion is untrue or that religious belief is for the credulous and the gullible Many of the presuppositions underlying any worldview cannot be proven empirically and acceptance of many of the truth claims of atheism and postmodernism requires just as much faith as acceptance of the fundamentals of Christianity This book is an attempt to demonstrate that biblical Christianity is true in the sense that it is a logical interpretation of reality and our lived experience and that the implications of Christian faith make more rational sense than a rejection of that faith *Coequal*

*aand Counterbalanced* John D. Garr,2013-01-16 God created woman and man so that they would be consubstantial and coequal and that they would manifest perfectly counterbalanced complementarity The relationship of the two halves of humanity was to be one of love mutuality and fulfillment By recovering the Hebraic understanding of God s blueprint for them both women and men can finally experience the relationship that God designed to be heaven on earth The God Designed Two in One Coequal Counterbalanced Partnership Designer Fashioned Woman Gender Self Identity and Self Fulfillment Spare Ribs and Afterthoughts Marriage as Heaven on Earth Whatever your race ethnicity gender faith or social status this book and the other volumes in this series will literally set you free from misconceptions that have long perverted relationships between women and men As you reconnect with the Hebraic foundations of your faith you will rediscover God s original design for humanity and you will come to understand respect and honor the different God designed distinctives preferences and roles for women and men that counterbalance and complement each other in mutuality and love **Life**

**from the Dead** John D. Garr,2014-06-10 Life from the Dead is an in depth study of the incredible endurance of the Jewish people in history despite ongoing systematic and unrelenting efforts to effect their genocide The survival of the Jewish people is notk however merely a testimony to their own resiliency or ingenuity It is a testimony to the utter faithfulness of their God to maintain the integrity of the covenant he made with Abraham Isaac and Jacob Your faith in God will be enriched as you read these dramatic subjects Daily Prayer As Good as Dead Can These Bones Live The God Wrestler From the Pit to the Palace A Resurrected Nation By My Spirit Says the Lord Mashiach Life from the Dead The God of Israel is the ruler over death and life As such he can heal the sick and restore the terminally ill to life and in the end he will keep faith with the righteous who are in the dust of the earth by bringing them forth to life from the dead in the resurrection Life from the Dead will build you faith in God s power to triumph over death and to bring abundant life to all those who put their trust in him
