Burns,2006 The Bratz take to the airwaves of Stiles High in their latest project When their fabulous news stories are altered a disaster unfolds that can t be ignored As the girls chase down the culprit who tried to sabotage their newscast they learn a lesson about playing fair *Bratz Magazine* ,2007 *The Publishers Weekly* ,2005

Packaging Girlhood Sharon Lamb,Lyn Mikel Brown,2007-04-01 The stereotype laden message delivered through clothes music books and TV is essentially a continuous plea for girls to put their energies into beauty products shopping fashion and boys This constant marketing cheapening of relationships absence of good women role models and stereotyping and sexualization of girls is something that parents need to first understand before they can take action Lamb and Brown teach parents how to understand these influences give them guidance on how to talk to their daughters about these negative images and provide the tools to help girls make positive choices about the way they are in the world In the tradition of books like *Reviving Ophelia* *Odd Girl Out* *Queen Bees and Wannabees* that examine the world of girls this book promises to not only spark debate but help parents to help their daughters

The Case For Make Believe Susan Linn,2009-07-01 In *The Case for Make Believe* Harvard child psychologist Susan Linn tells the alarming story of childhood under siege in a commercialized and technology saturated world Although play is essential to human development and children are born with an innate capacity for make believe Linn argues that in modern day America nurturing creative play is not only countercultural it threatens corporate profits A book with immediate relevance for parents and educators alike *The Case for Make Believe* helps readers understand how crucial child s play is and what parents and educators can do to protect it At the heart of the book are stories of children at home in school and at a therapist s office playing about real life issues from entering kindergarten to a sibling s death expressing feelings they can t express directly and making meaning of an often confusing world In an era when toys come from television and media companies sell videos as brain builders for babies Linn lays out the inextricable links between play creativity and health showing us how and why to preserve the space for make believe that children need to lead fulfilling and meaningful lives Reading Between the Lines Set Two Catherine Delamain,Jill

Spring,2018-06-14 This monograph presents a novel typology of relational and territorial perspectives on legitimacy and

identity This typology is then applied to two different political and historical contexts namely the trajectories of the metropolitan region Amsterdam in the Netherlands and the metropolitan region Ruhr in Germany The historical discussion spans 500 years providing valuable depth to the study Taken as a whole the book provides a new perspective within the territorial relational dichotomy and the geographies of discontent debate Its key insights are that identity and political legitimacy are embedded in history and that both relational and territorial perspectives on these issues are time and place dependent This book will be stimulating reading for advanced students researchers and policymakers working in political geography human geography regional studies and broader social and political sciences
