

# A Brave and Startling Truth

Maya Angelou

*American Poet, Author and Actress*

We, this people, on a small and lonely planet  
Traveling through casual space  
Past aloof stars, across the way of indifferent suns  
To a destination where all signs tell us  
It is possible and imperative that we learn  
A brave and startling truth

And when we come to it  
To the day of peacemaking  
When we release our fingers  
From fists of hostility  
And allow the pure air to cool our palms

When we come to it  
When the curtain falls on the minstrel show of hate  
And faces sooted with scorn are scrubbed clean  
When battlefields and coliseum  
No longer rake our unique and particular sons and  
daughters  
Up with the bruised and bloody grass  
To lie in identical plots in foreign soil

When the rapacious storming of the churches  
The screaming racket in the temples have ceased  
When the pennants are waving gaily  
When the banners of the world tremble  
Stoutly in the good, clean breeze

When we come to it  
When we let the rifles fall from our shoulders  
And children dress their dolls in flags of truce  
When land mines of death have been removed  
And the aged can walk into evenings of peace  
When religious ritual is not perfumed  
By the incense of burning flesh  
And childhood dreams are not kicked awake
