Current Research On Bisexuality

Victoria Clarke, Elizabeth Peel

Current Research On Bisexuality:

Current Research on Bisexuality Ronald Fox, 2013-04-03 *Current Research on Bisexuality* is an important resource on recent psychological and sociological findings in bisexual studies. The authors provide research findings and case studies that add to our understanding of bisexual identity, bisexuality and relationships, bisexuality and ethnicity, and attitudes toward bisexual people. This book examines research findings, literature reviews, and a wealth of resources that currently exist on bisexuality and bisexual issues. This book will bring you up to date on bisexual identity development, bisexuality in college students, cross-orientation friendships of bisexual women, bisexual married women and men and their spouses, bisexuality and heterosexually married couples, monogamous as well as open bisexual relationships, the interrelationship of bisexuality, race, and ethnicity, attitudes toward bisexual women and bisexual men. *Current Research on Bisexuality* also contains a comprehensive reader's guide to the current social science literature about bisexuality. This bibliography brings together a wide range of nonfiction books, journal articles, book chapters, theses, and dissertations on bisexuality with a focus in the theoretical, research, clinical, and community perspectives that have developed in the last twenty years. This reading list is essential for students, educators, researchers, and practitioners in psychology, counseling, social work, psychiatry, education, sociology, and anthropology. *Current Research on Bisexuality* provides new knowledge of the life experiences of bisexual people. With this book you will find a basis for further research and education about bisexuality in the greater context of ongoing research, education, and advocacy regarding lesbian, gay, bisexual, and transgender issues.

Current Research on Bisexuality, 2004

Bisexuality D. Joye Swan, Shani Habibi, 2018-03-07 This pathbreaking volume brings together a diverse body of sexual, behavioral, and social science research on bisexuality. Arguing for a clear, evidence-based definition of bisexuality and standardized measures for assessing sexual orientation, it spotlights challenges that need to be addressed toward attaining these goals. The book's deep trove of findings illuminates the experiences of bisexual men and women in key aspects of life, as well as common mental health issues in the face of stigma, prejudice, and outright denial from the heterosexual and homosexual communities. Throughout, contributors examine the paradoxical invisibility of bisexuality even as society and science have become more inclusive of lesbians and gay men, and emphasize the critical role of thoughtful, respectful support across societal and mental health domains. Among the topics covered: Defining bisexuality, challenges and importance of and toward a unifying definition, Plurisexual identity labels and the marking of bisexual desire, Binegativity, attitudes toward and stereotypes about bisexuals, Female bisexuality, identity fluidity, and cultural expectations, Romantic and sexual relationship experiences among bisexual individuals. *Bisexuality* is a substantial reference for psychologists, scholars, and graduate students in LGBTQIA studies, and clinicians seeking both theoretical and applied perspectives on the research into bisexuality. It also offers instructors a supplemental, research-based textbook option for teaching courses related to sexuality and bisexuality.

Young Bisexual Women's Experiences in Secondary Schools Mary-Anne McAllum, 2017-09-11

Emerging from a case study in secondary schools this book explores young bisexual women's notions of bisexuality through their own sense of self-identification and how they express their personal beliefs McAllum sheds light on the presence and practices of bisexual misrecognition and bi-misogyny in school settings and draws out the implications of this bias on bisexual women Incorporating women's own spoken and written anecdotes this book reveals hidden narratives and helps boost awareness about the social and learning needs of young bisexual women

Bisexual Resource Guide Robyn Ochs, 2001 This guide lists 352 bi groups and 2129 bi-inclusive groups in 66 countries and includes bibliographies an annotated list of recommended films advertising photos quotes cartoons and an electronic resources section

The Changing Dynamics of Bisexual Men's Lives Eric Anderson, Mark McCormack, 2016-05-05 This important book provides unique new knowledge on the lived experience of openly bisexual men without medicalizing or pathologizing them Presenting research from sexology sociology and psychology it features extensive findings on the sexual social romantic and emotional behaviors of the 90 men interviewed in the U.S. and U.K. Issues and challenges are examined in such areas as identity and self-concept along with the burden of social erasure and the paradox of stigma from both the gay and straight communities However the research reveals evidence of a recent cultural transition toward acceptance of bisexual identity and behavior with younger bisexual men experiencing better social lives and increased recognition of the legitimacy of bisexuality Among the topics covered Examining the components of sexuality Measuring and surveying bisexuality Bisexual burden Demonstrating a generational cohort effect Expansion of gendered boundaries Erosion of the one-time rule of homosexuality Coming out in the 21st century Bringing clarity and focus beyond the gender binary and compelling insights into why society and science have trouble shedding that paradigm The Changing Dynamics of Bisexual Men's Lives will interest sexuality scholars sexologists and social scientists studying the social aspects of sexuality

Border Sexualities, Border Families in Schools Maria Pallotta-Chiarolli, 2010-05-16 The first book of its kind internationally Border Sexualities Border Families in Schools explores the experiences of bisexual students mixed sexual orientation families and polyamorous families in schools For the first time a book foregrounds the voices and experiences of these students and families who are falling into the gaps or on the borders of a school's gay-straight divide in anti-homophobia policies and programs and schools recognizing families as meaning either heterosexual couples or increasingly homosexual couples Drawing from interviews and online research with students parents and teachers as well as providing a comprehensive overview and analysis of international educational and health research and media popular cultural texts this book addresses the following what are the problematic and/or empowering experiences and strategies of bisexual students multisexual and polyamorous families in educational systems what could schools be doing to promote healthy sexual emotional and social relationships for bisexual students and multisexual polyamorous families in school communities what recommendations implementations do bisexual students and multisexual polyamorous families suggest in regard to school curriculum school policies and student welfare in order to acknowledge and support family

diversity in school communities In particular the research findings which are reported in this book show that border sexualities and border families use three types of strategies passing or normalization and assimilation in school settings bordering or negotiation and navigation between the private world of home and public world of school and polluting or non compliance and resistance thereby outing their sexualities and families within the school world Within a social deconstructionist multicultural post colonial feminist queer theoretical framework this book spans health education sociology psychology gender family sexuality and cultural studies

Bisexuality Beth A. Firestein,1996-08-20 A landmark volume in the field Bisexuality presents a state of the art glimpse of what is known and what remains to be known about bisexuality Editor Beth A Firestein gathers together an impressive group of researchers activists educators theorists and clinicians to offer insight into this understudied sexual orientation Written in a scholarly but accessible style this noteworthy collection of essays provides a focused comprehensive introduction to research theory and practical clinical knowledge about bisexuality The contributors agree that given recognition and validity the study of bisexuality can extend what we know about sexual orientation and sexual identity as well as shed light on previously unexplored aspects of sexuality This insightful volume explicates the emergence of bisexuality as a phenomenon requiring a paradigm shift in sexual orientation studies and discusses the implications of this shift Bisexuality makes accurate high quality information about the subject available to professionals and students in lesbian gay studies gender studies sociology family studies and human sexuality The book also brings current clinical perspectives together in a user friendly volume for practitioners in social work and clinical counseling psychology

The Bisexual's Guide to the Universe Nicole Kristal, Mike Szymanski,2006 Organised by experience level beginner intermediate and advanced this no holds barred irreverent guide is for anyone bisexual queer pansexual or none of the above who wants the best of both worlds Increase your Bi Q now

Sexual Lives: A Reader on the Theories and Realities of Human Sexualities Robert Heasley, Betsy Crane,2003 This reader provides a social constructionist approach to teaching about sexuality Its 65 selections combine a range of classic theoretical articles with a large number of original pieces organized to help students understand the ways sexuality influences every aspect of their lives The reader focuses on the theoretical and the personal stories of people s sexuality Personal narratives many written by students bridge the gap between theory and experience The book invites the student into thinking about how sexuality itself is constructed as a result of norms values beliefs and practices It weaves together gender and sexuality helping students understand the intersection between the two and the confusion in society when we find people don t easily fit into categories

Journal of Gay, Lesbian, and Bisexual Identity ,1999

Great Events from History: 1848-1983 Lillian Faderman,2007 Gay Lesbian Bisexual Transgender Events selects events that help to mark the definition of gender the emergence of social cultural and political movements and the struggles to gain civil rights In some cases one event represents and offers discussion of many For example the article on Illinois becoming the first state to abolish its laws against consensual homosexual acts in 1961

also discusses the effect of this action on other states In particular essays also include see also cross references to related articles within the set *Out(standing) in High School* Timothy Gilman Larrabee,2003 *Out in Psychology* Victoria Clarke,Elizabeth Peel,2007-05-07 Recent media debates on subjects such as same sex marriage have fueled an interest in lesbian gay bisexual transsexual and queer LGBTQ perspectives This text presents the latest thinking in LGBTQ psychology with an international look at this complex subject *Lesbian, Gay, Bisexual, and Transgender Health Issues* ,2001 Papers from medical and social service professionals covering an array of health topics of interest to the lesbian gay bisexual and transgender communities in the United States *Forthcoming Books* Rose Arny,2004 *Issues in Therapy with Lesbian, Gay, Bisexual, and Transgender Clients* Charles Neal,Dominic Davies,2000 Many readers of Pink Therapy 1996 Open University Press found the affirmative approaches and detailed discussions there of particular concern to lesbian gay and bisexual clients invaluable This volume has twelve further areas discussed in clear and informative style by practitioners from their own professional experience and offers guidelines for good practice as well as full references and further resources With Pink Therapy and Therapeutic Perspectives on Working with Lesbian Gay and Bisexual Clients from the same editors and publishers professionals interested in treating clients from these minorities equitable will find a wealth of support information and guidelines not previously readily available **Bibliographic Index** ,2004 [The Unspoken Lives of Bisexual Women](#) Nicole Catherine Polen,2006 **Cross-cultural Psychotherapy** Charles Negy,2008

Current Research On Bisexuality Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Current Research On Bisexuality PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning.

By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Current Research On Bisexuality PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Current Research On Bisexuality free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Current Research On Bisexuality Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
