Language Education Frank Heyworth, European Centre for Modern Languages, Council of Europe, 2003-01-01

Proceedings of the Conference on Teacher Education for Sustainable Development in Ethiopia, 2007 *Directed Motivational Currents and Language Education* Christine Muir, 2020-09-17 Directed motivational currents DMCs are goal directed motivational surges in pursuit of a much desired personal outcome This book introduces the reader to cutting edge theory and research in second language learner motivation and presents empirical research which investigates DMCs in the context of language learning The studies explore the wider relevance of DMC theory from participants recruited worldwide answering questions such as how many and which participants reported having experienced DMCs and what emerged as common triggers initiating such experiences The studies also discuss the pedagogical implications of DMC theory investigating whether it is possible to design and implement a project specifically a project with DMC potential in such a way that it may be able to purposefully facilitate a group DMC with learners in a second language classroom The book s accessible writing style makes it suitable for researchers and students who are interested in second language learning as well as for teachers and trainee teachers who are looking for classroom inspiration *Motivational Currents in Language Learning* Zoltán Dörnyei, Alastair Henry, Christine Muir, 2015-08-20 Building on Zoltán Dörnyei s authoritative work in the field of learner motivation this book introduces a new conceptualization Directed Motivational Currents DMCs and sets out the defining aspects of what they are what they are not and how they are related to language learning motivation Going beyond focused behavior in a single activity DMCs concern intensive long term motivation The distinctive feature of the theory is that it views motivation not simply as a springboard for action but also as a uniquely self renewing and sustainable process It is this energizing capacity which distinguishes DMCs from almost every other motivational construct described in the research

literature Motivational Currents in Language Learning offers new insights valuable both to motivation researchers and classroom practitioners The accessible style along with plentiful illustrations and practical suggestions for promoting sustained learning invite readers to think about motivation in a different way Highly relevant for language teachers teachers in training teacher educators and researchers in TESOL and applied linguistics the book explains how the DMC construct can be integrated into course structures and teaching methodologies and encourages teachers to try out novel methods for harnessing motivational power in classroom settings

English Language Teaching in India R K Agnihotri, A L Khanna, 1995 Very Good No Highlights or Markup all pages are intact

Language Policy and Language Education in Emerging Nations Robert de Beaugrande, Meta Grosman, Barbara Seidhofer, 1998 It has long been an assumption in the field of English as a foreign language that those who speak the language as natives pronounce the way it should be taught Most influential figures in the field have been outsiders and the subject has accordingly not been really defined as the teaching of English as a foreign language but as the teaching of English to foreigners quite a different thing This book discusses the designing of programs for learning which will take the different kinds of foreignness into account

Resources in Education, 1994 PALC'99--Practical Applications in Language Corpora Barbara Lewandowska-Tomaszczyk, Patrick James Melia, 2000 The papers in this volume are centred on the general field of corpus linguistics and the varying types of language corpora within it The papers show that corpus linguistics and the related subject of computational linguistics is a vibrant research area with a wide range of approaches They address a number of key issues in the research areas of learner corpora parallel corpora translation semantic and lexicography corpus analysis and expert systems Finally a number of contributors come from different language backgrounds and this is reflected in their papers

A Framework for Task-based Learning Jane Willis, 1996 This is a user friendly guide to the theory and practice of task based learning for the classroom teacher The book shows how the task based approach can be used to deal with all ages and levels including mixed ability classes integrated skills and corpus work and grammatical analysis

Vocationally Oriented Language Learning Eric M. Brewster, 1995 Discusses problems possibilities and perspectives *TESOL Newsletter* Teachers of English to Speakers of Other Languages, 1990

The Journal of the Institute of Bangladesh Studies Rajshahi University. Institute of Bangladesh Studies, 2006 Barriers and Bridges Heidrun Jung, Commission on Educational Technology and Language Learning, 1994 The papers that make up this collection were either presented at the CETaLL Commission on Educational Technology and Language Learning Colloquium The Autonomous Learner and the Media held as part of the 10th AILA World Congress in Amsterdam August 8 15 1993 or were presented in other sections at the same congress Not only do they all share the common theme of exploring how media technology can be used to enhance language learning and teaching but more than that they relate the excitement of breaking down barriers and building bridges with the help of both old and new technology Papers from Austria Finland Germany Japan Thailand Britain and the United States cover a wide range of topics

from the latest hi tech multi media project to the humble radio with its potential for interactivity Proceedings of the Annual Meeting - National Education Association of the United States National Education Association of the United States,1891 **Current Controversies in Foreign Language Didactics** Maria Dakowska,2003 **Current Literature** ,1900 **Applied Linguistics** ,1980 **Second Language Instruction/acquisition Abstracts** ,1996
