The Curse of Chalion Lois McMaster Bujold, 2023-12-14 Battered ex soldier Lupe dy Cazaril returns home only to be swept up in court and theological intrigue as tutor to the Royesse Iselle of Chalion Cazaril's honor and courage in the face of not only his former adversaries but the demands of Chalion's five gods shine through in this spellbinding tale of hard won triumph Fresh intriguing and as always from Lois McMaster Bujold superb Robert Jordan author of The Wheel of Time series Buy this book I don't care if you have to steal Junior's lunch money buy this book THE CURSE OF CHALION is Lois McMaster Bujold at the very top of her form which says a great deal indeed She proves she's at least as good at writing fantasy as she is at science fiction among the best in the business in other words Here she's created a fascinating world full of interesting people all of whom feel real and convincing And in meeting Cazaril her hero even Miles Vorkosigan might acknowledge there are some problems he's been lucky enough never ever to imagine Harry Turtledove author of THE GUNS OF THE SOUTH and TWO FRONTS In here are magic and mystery prophecy and peril treachery and treason In here is a splendid tale marvelously told In here is writing as good as it gets Dennis McKiernan author of AT THE EDGE OF THE FOREST and The Mithgar series A finely balanced mixture of adventure swordplay court intrigue romance magic and religion makes this book a delightful read School Library Journal Compelling characters and richly detailed world building make this a strong addition to fantasy collections Library Journal Bujold continues to prove what marvels genius can create out of basic space operatics Library Journal Bujold is not just a master of plot she is a master of emotion SF Site Bujold is one of the best writers of SF adventure to come along in years Locus Magazine A superb craftsman and stylist Ms Bujold is well on her way to becoming one of the great voices of speculative fiction Rave Reviews Boy can she write Anne McCaffrey Bujold has a gift nearly unique in science fiction for the comedy of manners Chicago Sun Times Bujold's work remains among the most enjoyable and rewarding in contemporary SF Publishers Weekly Bujold is also head and shoulders above the ruck of current fantasists as well as science fictionists Booklist *The Hallowed Hunt* Lois McMaster Bujold, 2005-05-24 Follows Paladin of souls

The Shape of Fantasy Charul Palmer-Patel, 2019-10-23 The Shape of Fantasy is an in depth look at Heroic Epic Fantasy It depicts structural and narrative patterns with models stemming from science and philosophy Although Fantasy Fiction is generally defined by its impossibility Fantasy Fiction not an illogical form It is in fact governed by a sense of rules and structure one that reflects our current understanding of space time and cosmology These models are an integral part of the structure of Heroic Epic Fantasy itself Thus this book introduces new ways of perceiving current productions of the Fantasy genre In doing so it also explores how Fantasy Fiction exhibits a conscious awareness of its own form *Biology and Manners* Regina Yung Lee, Una McCormack, 2020-06-17 This volume of essays continues the establishment of Lois McMaster Bujold as an important author of contemporary science fiction and fantasy It argues persuasively that Bujold's corpus spans the distance between two full arcs of US feminism and has anticipated or responded to several of its current

concerns in ways that invite or even require theoretical exploration The fourteen essays collected here provide wide ranging scholarly analyses of Bujold s work and worlds so far covering not only the science fiction and fantasy series but taking into account the wealth of ancillary material inspired by her works such as fan fiction and role playing games Examining the major series through a range of perspectives including feminist readings queer theory and disability studies this volume aims to establish beyond doubt the seriousness of intent behind Bujold s various artistic projects and provide a set of rich readings of this engaging experimental playful and popular author

The Curse of Chalion Lois McMaster Bujold,2001 A man broken in body and spirit Cazaril returns to the noble household he once served as page and is named secretary tutor to the beautiful strong willed sister of the impetuous boy who is next in line to rule It is as assignment Cazaril dreads for it must ultimately lead him to the place he most fears the royal court of Cardegoss where the powerful enemies who once placed him in chains now occupy lofty positions But it is more than the traitorous intrigues of villains that threaten Cazaril and the Royesse Iselle here for a sinister curse hangs like a sword over the entire blighted House of Chalion And only by employing the darkest most forbidden of magics can Cazaril hope to protect his royal charge an act that will mark him as a tool of the miraculous and trap him in a lethal maze of demonic paradox

The Hallowed Hunt Lois McMaster Bujold,2009-10-13 A magnificent epic tale of devotion possession obsession and strange destiny from the author of the Hugo Award winning *Paladin of Souls* Lois McMaster Bujold The half mad Prince Boleso has been slain by a noblewoman he had intended to defile and Lord Ingrey kin Wilfcliff must transport the body to its burial place and the accused killer the Lady Ijada to judgment With the death of the old Hallow King imminent and the crown in play the road they must travel together is a dangerous one And though he is duty bound to deliver his prisoner to an almost certain death Ijada may be the only one Ingrey dares trust For a monstrous malevolence holds the haunted lord in its sway and a great and terrible destiny has been bestowed upon him by the gods the damned and the dead

Jane Eyre's Sisters Jody Gentian Bower,2015-03-15 Ever since women in the West first started publishing works of fiction they have written about a heroine who must wander from one place to another as she searches for a way to live the life she wants to live a life through which she can express her true self creatively in the world Yet while many have written about the heroine s journey most of those authors base their models of this journey on Joseph Campbell s model of the Heroic Quest story or on old myths and tales written down by men not on the stories that women tell In *Jane Eyre's Sisters* How Women Live and Write the Heroine s Story cultural mythologist Jody Gentian Bower looks at novels by women and some men as well as biographies of women that tell the story of the Aletis the wandering heroine She finds a similar pattern in works spanning the centuries from Lady Mary Wroth and William Shakespeare in the 1600s to Sue Monk Kidd Suzanne Collins and Philip Pullman in the current century including works by Jane Austen the Bront sisters George Eliot Elizabeth Gaskell Charles Dickens Kate Chopin Virginia Woolf Doris Lessing J R R Tolkien and Alice Walker to name just a few She also discusses myths and folk tales that follow the same pattern Dr Bower argues that the Aletis represents an

archetypal character that has to date received surprisingly little scholarly recognition despite her central role in many of the greatest works of Western fiction Using an engaging down to earth writing style Dr Bower outlines the stages and cast of characters of the Aletis story with many examples from the literature She discusses how the Aletis story differs from the hero's quest how it has changed over the centuries as women gained more independence and what heroines of novels and movies might be like in the future She gives examples from the lives of real women and scatters stories that illustrate many of her points throughout the book In the end she concludes authors of the Aletis story use their imagination to give us characters who serve as role models for how a woman can live a full and free life
