Curses Of Sexual Sins:

Curses of Sexual Sins Gilbert Deya,2003 Curses of Sexual Sins Gilbert Deya,2002 *The Battle Against Sexual Sin* Uchechukwu K. Ozua, The Battle Against Sexual Sin A Christian Perspective is all about the importance of learning and understanding sexual sins its dangers and freedom from it through sexual purity The book explains the unnaturalness of sexual perversions its harbingers and the characters involved in the acts Highlights include sexual sin and sexual perversions masturbation sexting sexual sin and teenagers The author use this book to tell the readers that despite how sexually amoral the world has become Christians can live a chaste and undefiled life through the grace of God After reading this book you will understand how sexual perversions are generated who generates them what consequences are involved and most importantly how to be free from them The book will tell you how to keep yourself body soul and spirit undefiled like a purified life in this crooked and perverse generation Breaking Generational Curses Marilyn Hickey,2020-06-16 Get Set Free from What Holds You Back Do you or a family member Exhibit anger issues Suffer mental illness Have a history of abuse or chronic illness Face failure after failure A generational curse from your family line may be the root cause of these issues Don t let past sins from your family tree continue to wreak WORKBOOK to Deliverance from Demonic Covenant and Curses Rev. James Solomon,2024-09-16 While lecturing on spiritual warfare at a Bible school in Japan some years ago I had an encounter with a student who said she was not a born again Christian and had never been to church she was a Buddhist During our conversation she told me she had read so many books on Buddhism but had never read the Bible or read any book about God In my reasoning with her I asked her how was she to know anything about God whom she has not read about If she wanted to know if God is better than Buddha she would need to read the Bible to know who God is She agreed with me and I got her a Bible which she promised to start reading I believe this encounter and many others are the reasons the Holy Spirit impressed it upon me to put together this deliverance workbook in order to help create an awareness and to enlighten the upcoming generation on this very important subject matter of deliverance that many seem to lack knowledge about This book explains all the major aspects of deliverance and is strongly recommended to all churches ministries ministers of God prayer band intercessory groups prayer ministries Bible schools seminaries and all other Christian organizations worldwide The book addresses various topics such as What is deliverance Satanic kingdoms Can a Christian have demons Satanic initiations and much more Rejecting the teachings on deliverance is sheer ignorance It is time to rise up and build a militant army to join hands with Jesus Christ in destroying the works of the devil 1 John 3 8 Spiritual Transactions Joseph Ngoma,2026-03-05 Spiritual Transactions How Sexual Sin Opens Doors to Demonic Bondage Why do many people pray yet remain bound Why do cycles of lust broken relationships strange dreams emotional pain and spiritual dryness continue despite faith and effort This book reveals a hidden spiritual reality rarely addressed openly sexual sin is not only physical it is spiritual Every sexual act creates a transaction and every transaction opens a door that affects the soul emotions identity and

destiny In *Spiritual Transactions* Joseph Habimana Ngoma exposes how unseen spiritual laws operate through relationships sexuality emotions dreams and ancestral patterns The book explains how soul ties are formed how spiritual covenants are entered unknowingly why prayer weakens after sexual compromise and how generational struggles repeat across families More than revelation this book provides clear spiritual steps toward freedom including repentance breaking unhealthy soul ties restoring identity rebuilding prayer life and walking in lasting purity This is not a book of condemnation fear or theory It is a call to understanding restoration and spiritual freedom If you have ever sensed that your struggles had deeper roots this book will help you understand why and show you how freedom is possible through Christ **University Extension Series**

Spiritual Marriage Ebenezer Gyasi,2006-06-01 We live in a world where the spiritual is superimposed on the physical with the physical dovetailing into the spiritual People who allow events in their lives to pass without connecting them to spiritual issues not only dont understand what is happening to them they also cant do anything to change their world Nothing in this world happens by chance Not with God nor the devil In Ecclesiastes 8 4 6 we read Where the word of a king is there is power and who may say unto him What doest thou Whoso keepeth the commandment shall feel no evil thing and a wise man s heart discerneth both time and judgment Because to every purpose there is time and judgment therefore the misery of man is great upon him In the realm of the spirit there are no accidents There are certain spiritual truths you should know before you start dating having sex or start thinking about marriage Ignorance of spiritual matters may become a source of problems for you and your descendants If you violate any spiritual law without the appropriate atonement you will incur its ramifications Currently our sexuality is under tremendous attack Spiritual marriages to demonic entities have become a source of hidden problems in our relationships This manual along with a companion book *Killing Me Softly* exposes and helps you deal with evil enforcers assigned to fight against your home and family *"If My People Shall Confess--"* Othniel I. Clotney,2004 *Sex Without Regrets* Nora Fozard,2023-06 Is sexual sin sabotaging your best life Who ever imagined that sexually transmitted disease and pregnancies of unmarried women would be rising in the 21st century US This update of Nora Fozard s classic examines the root causes of sexual sin and offers practical solutions from the Bible for women men and church leaders It recommends specific steps to regain the Godly intimacy lost to every kind of sexual sin pornography lust fornication adultery It guides parents with tools for leading their children to healthy Godly ways of relating Learn to enjoy the happy healthy families and relationships we all want Here s strength to resist sexual sin **Paul, the Law, and the Covenant** A. Andrew Das,2001 The now familiar new perspective asserts that the covenantal nomism characteristic of second temple Judaism softened the Mosaic law s requirement of perfect obedience Because of God s gracious covenant with Israel manifested in election and the provision of atoning sacrifices one could be righteous under the law despite occasional

failures to obey the law perfectly This view concludes that Paul as a first century Jew could not have been troubled by the law's stringent demands because it was generally understood that the gracious framework of the covenant provided a way of dealing with occasional lapses Consequently it is claimed Paul's problem with the law must have to do with its misuse as a means of enforcing ethnic boundaries and excluding Gentile believers However as Das demonstrates in this book whenever the gracious framework of covenantal nomism is called into question the law's demands take on central importance Das traces this development in a number of second temple Jewish works and especially in the writings of Paul Covenantal nomism is probably an apt characterization of Paul's opponents and indeed of Paul's past life thus he can assert that formerly he was blameless under the law But now Paul sees God's grace as active only in Christ He emphatically denies that God will show special grace in his judgment of Jews to do so would be favoritism Similarly Paul sees no atoning benefit to the sacrificial system In effect Paul is no longer a covenantal nomist Since the gracious framework of the covenant has collapsed all that remains for Paul is the law with its oppressive requirement of perfect obedience and ethnic exclusivism Contra the newperspective the works of the law should not be construed so narrowly as only the law's ethnic exclusivity Christ is the end of the law in general both in the sense that he is the goal to which the law always pointed and in that he is the sole agent of God's grace apart from which the law's demands would be impossible
