**Pearson Custom Sociology** Kathleen Anne Tieman, Ralph B. McNeal, Betsy Lucal, Morten G. Ender, 2013 **Distance Education** Judith L. Johnson, 2003 Johnson continues her extensive research with case studies of some of the world's standout examples of distance education. Topics include pedagogy, student support services, design and delivery of programs, issues of assessment, evaluation, accreditation, and emerging technology standards. Introduction to Sociology Lisa Troyer, Pearson Custom Publishing, 1997-09-01 Readings in Introduction to Sociology Pearson Custom Publishing, 1997-08

**Introduction to Sociology** D. L. White, Pearson Custom Publishing, 1997-12 *Publication of the American Sociological Society* American Sociological Association, 1929 List of members in v 1 5 25 28 supplemental list in v 26 27 The Dancer's Gift: An Introductory Sociology Novel Meredith Kennedy, Marty E. Zusman, Caroline Schacht, David Knox, 2003 *Publication of the American Sociological Society*, 1919 *Publication* American Sociological Society, 1911 Gangs and the Military Carter F. Smith, 2019-09-20 Over the past several decades there has been a continuous and growing focus on street gangs, outlaw motorcycle gangs, and domestic extremist groups. Many of these groups have members with military training, and some actively recruit from current and former military veterans and retirees. That military experience adds to the dangerousness of veteran gang members, as well as those groups they associate with. Communities everywhere are experiencing the damaging impact of gang criminal behavior. By observing gang activity from the Revolutionary War to today, Smith examines the presence of military-trained, often veteran gang members in the communities. He looks at the turning points in gang investigations in the military and also looks at the laws and policies designed to specifically counter the criminal activity. The threats of gang activity pose on a community. Grounded in current knowledge and research, *Gangs and the Military* successfully addresses the growing presence of criminal gang members in the United States. As well as reflects on how the authorities that counter and combat them are doing so on a national and global level. **Introductory Sociology**, 2005 **Subject Guide to Books in Print**, 1991 *Readings in Public Opinion* William Brooke Graves, 1928

**Sociology 100** Pearson Custom Publishing, 1996-08 **Introduction and overview** National Institute on Alcohol Abuse and Alcoholism (U.S.), 2000 **Sociology** Jean Stockard, 2000 **SOCIOLOGY: DISCOVERING SOCIETY** 2nd provides comprehensive coverage of sociology in an affordable paperback format. With research studies in every chapter and boxes that portray sociologists at work, it will especially appeal to sociology professors who value a quantitative research methodology-oriented approach. Instead of presenting every possible theory for each issue, Stockard's streamlined approach pulls in theories only when they appropriately relate to the issue at hand. This integrated approach produces a text that reads more smoothly than the overly encyclopedic, heavily interrupted narratives of other texts. University of Michigan Official Publication, 1938 **Principles of Marketology, Volume 1** H. Aghazadeh, 2016-04-29 In *Principles of Marketology Volume 1: Theory*, Aghazadeh explores the definition, origins, and framework of a new methodology for helping organizations better

understand their market and competition      **Through the Global Lens** Michael Strada,2021-04-14 Through the Global Lens uses a global perspective to analyze human affairs This text looks at each of the six social sciences sociology anthropology political science economics psychology and geography and uses case studies feature film analyses maps and photos to highlight important historical events and concepts throughout      Social Science Abstracts ,1930
