Bowling Basics Gerald P. Carlson,E. Harold Blackwell,1997 *Basics of Cricket* Dr.R. Ram Mohan Singh,2024-05-16

Cricket is the most popular sport in India and is gaining a foothold in other countries also slowly but steadily This being the case a substantial number of young players show great interest in taking up this sport Needless to say cricket is a skill based game and many skills do not come naturally like bowling and batting side on etc With the advent of shorter versions of cricket improvisation and innovative stroke play is employed more and more at the highest level Yet the need for strong basics or good foundations to build your game can never be greater This book is an attempt to reach out to all such young aspirants to learn and understand the basics that will hold them in good stead in the future This book attempts to give a clear visual of the correct technique and its application for better understanding Some important tips have also been inserted to act as key points Yet there are some topics left to be covered and soon they will be added too This book will be a fantastic ready reckoner and a reference material to any budding cricketer who intends to master the basics before venturing into the exciting brand of modern cricket The book also carries drills to help in practising and gaining confidence in executing the skill Though the drills are by no means exhaustive it gives a clear idea of what the player is expected to do Wishing all the very best to all you cricketers

Bowling Beyond the Basics James Freeman,Ron Hatfield,2018-07-12 Why did I leave the 10 pin on that shot Why isn t my ball hitting the pocket anymore Should I change balls or move How heavy should my ball be What s the best bowling ball How do I get more hook Why do I keep missing my spares Bowlers are faced with endless questions problems and choices every time we bowl Answers and solutions abound but a great many of them are ineffective or just plain wrong How do we know what to do How do we know what to believe In this book we examine What doesn t work and what bowlers have wrong What s really happening on the lanes and how things really work What you need to change to get back to striking How to properly make that change We teach you how to figure out exactly what s wrong with your shot We show you all of the adjustments available to you teach you what each one actually does and show you how and when to apply it We give you strategies that will improve your lane play and your decision making Finally we teach you a mathematically sound spare system that will simplify your game and make picking up your spares an easy proposition We give you all of the knowledge and tools you need to take your game to the next level and become the bowler you want to be
