Box Of Delights

Philip W. Errington

Box Of Delights:

The Box of Delights; or, When the Wolves were Running John Masefield,2022-08-01 In *The Box of Delights or When the Wolves were Running* John Masefield weaves a fantastical tale that intricately blends elements of adventure folklore and Christmas storytelling The narrative unfolds through the eyes of young Kay Harker who upon discovering a mysterious box that grants the power to travel through time and space embarks on a gripping quest against dark forces Masefield's lyrical prose is suffused with vivid imagery and a sense of nostalgia capturing the essence of childhood wonder and the perils that accompany it Set in the early 20th century the book resonates with themes of bravery imagination and the eternal struggle between good and evil making it a timeless classic in children's literature John Masefield 1878 1967 was a prominent English poet and novelist whose literary prowess was informed by his diverse experiences at sea and in the literary circles of his time His own childhood marked by adventure and loss heavily influenced the themes in *The Box of Delights* as he sought to evoke the magic of storytelling as a refuge from harsh realities Masefield's dedication to the craft of writing and his significant contributions to children's literature reveal his deep understanding of a child's psyche and their innate sense of wonder Recommended for readers of all ages *The Box of Delights* is an enchanting journey that skillfully captivates both children and adults alike With its rich narrative and profound themes this work invites readers to rediscover the magic of the holiday season the importance of friendship and the courage found within while serving as a brilliant reminder of the enchanting power of stories

The Year of the Geek James Clarke,2017-10-19 *The Year of the Geek* is a fascinating look into geek culture Each day will tell a different story from the sci fi universe from famous franchises and figures such as Star Wars The Matrix Peter Jackson and Luc Besson to lesser known stories including the French cult classic *City of Lost Children* the Japanese anime *Akira* and bestselling German novelist Marcus Heitz With text written by self confessed geek James Clarke and accompanied by over 100 infographics that have been specially commissioned for this book *The Year of the Geek* celebrates all things geek in a new and intriguing way

The Golden Age of Children's TV Tim Worthington,2024-10-24 For decades British children's TV was surely the finest entertainment in the world From *Thunderbirds* to *The Clangers* *Blue Peter* to *Magpie* *Camberwick Green* to *Tiswas* and *Captain Pugwash* to *The Magic Roundabout* there was a huge variety on offer for kids and adults to enjoy Now in *The Golden Age of Children's TV* Tim Worthington brings back the joy of those times and the programmes we loved sharing a deep dive behind the scenes of key programmes how they came about and the stories behind the shows From Saturday morning telly to teatime favourites discover everything you never knew about the programmes you loved as well as the gossip from behind the scenes Written with affection but also with a wry appreciation of the shortcomings of the times this is the hugely engaging and entertaining story of a key part of our pop culture from a time long before streaming and the internet when we sat down together to watch brilliant British telly

Pagan Themes in Modern Children's Fiction P. Bramwell,2009-03-31 Applying a range of critical approaches to works by authors including

Susan Cooper Catherine Fisher Geraldine McCaughrean Anthony Horowitz and Philip Pullman this book looks at the formative and interrogative relationship between recent children's literature and fashionable but controversial aspects of modern Paganism The Continuum Encyclopedia of Children's Literature Bernice E. Cullinan, Diane Goetz Person, 2005-01-01 Provides articles covering children's literature from around the world as well as biographical and critical reviews of authors including Avi C. S. Lewis J. K. Rowling and Anno Mitsumasa Breaking into the Curriculum John F. Schostak, 2020-03-13 Information technology is here to stay Its impact has already been far reaching in business in communications and in leisure activities it has been responsible for replacing human action by that of machines As such it raised questions about freedom and the meaning of work and human activity which could no longer be ignored by those working in education The educational response to information technology must ensure that human activities are enhanced rather than enslaved by computers Originally published in 1988 Breaking into the Curriculum provides one such response A range of curricular structures and teacher roles are examined for their potential for preserving freedom in a future that was already being formed and informed by electronic systems Drawing on case studies of pupils and teachers from throughout their school career the authors of this collection sought to provoke discussion on the true ends of education and the kinds of strategies that would best realise those ends Information technology it is argued is already shaping our thinking concerning the schooling of children As such it can either create an electronically controlled environment or it can provide the stimulus for imaginative playful and creative thought and the development of intelligence in its broadest sense The choice is ours the authors of this collection seek to inform that choice Today it can be read in its historical context **Landscape in Children's Literature** Jane Suzanne Carroll, 2011 This title provides a critical methodology for the study of landscapes in children's literature Treating landscape as the integration of unchanging and irreducible physical elements it analyses four kinds of space including sacred and green spaces that are the component elements of the physical environment in children's fantasy **Opening The Box of Delights [new Edition]** Philip W. Errington, 2024-09-30 **How Did Long John Silver Lose his Leg** Dennis Butts, Peter Hunt, 2013-11-28 How did Long John Silver Lose His Leg is a diverting tour through some of the bestloved classics of children's literature addressing many of the unanswered questions that inspire intense speculation when the books are laid down Could Bobbie's train really have stopped in time The Railway Children Did Beatrix Potter have the flu in 1909 and did this lead to a certain darkness in her work The Tale of Mr Tod Would the rugby football played by Tom Brown be recognised by sportsmen today Tom Brown's Schooldays The authors speculate entertainingly and informatively on the anomalies and unexplained phenomena found in children's literature and having established the cultural importance of children's books in the modern age also consider the more serious issues raised by the genre Why are we so defensive of the idyllic worlds presented in children's books Why have some of our best loved authors been outed as neglectful parents to their own children Should we ever separate the book from its creator and appreciate the works of
