

An abstract lithograph by Bram van Velde. The composition is dominated by a large, dark, textured shape on the right side, which appears to be a stylized, organic form. To its left, there are several curved, orange-brown lines that sweep across the frame, creating a sense of movement and depth. The background is a mix of light and dark tones, with a prominent yellowish-green area on the left. The overall effect is one of dynamic, gestural abstraction.
