The background of the entire image is a collage of business-related items: a laptop keyboard on the left, a small potted plant in the bottom left, a smartphone on the right, and various charts and graphs scattered across the bottom. The overall color palette is a gradient of purple, blue, and teal. In the center, several hands are stacked on top of each other, with the top hand holding a pen, symbolizing teamwork and collaboration.

Decisions of the Commissioner of Patents and of the United States Courts in Patent and Trademark and Copyright Cases United States. Patent Office, 1916 Management Aesthetics Michał Szostak, 2024-11-18 This edited collection presents the complex theory of kitsch from aesthetic and artistic points of view transposed into managerial and organisational fields In the spirit of management aesthetics on the ground of humanistic management the central aim of the volume is to show that kitsch is a common phenomenon not only in art and culture but

also in management and its conscious perception and mindful use may be beneficial for achieving organisational and managerial goals efficiently Due to the diverse research problems covered by particular chapters no unified methodology is applied in the book every author applied an optimal method for the selected topic However due to the complex and metaphysical character of the kitsch phenomenon the only common fundament of all chapters is using the kitsch experience theory Szostak and Su kowski 2020 The dominant analytical approach is qualitative with extensive use of case studies comparative analyses and ethnographic focus Despite this some chapters also include the application of the quantitative approach for the hypotheses verification This book makes a giant step ahead of its competitors by implementing the kitsch theory especially the kitsch experience theory in a broad spectrum of managerial and organisational fields like marketing advertising brand management business communication entrepreneurship leadership decision making human resource management corporate social responsibility city space management management of technology and innovation and organisational culture It should be a must read for researchers academics practitioners and advanced students in these fields
