Brontë Society

Branwell Bronte A Biography 2nd Edition:

The Works of Patrick Branwell Brontë Victor A. Neufeldt, 2016-12-20 This volume first published in 1999 contains all of Patrick Branwell Brontë's known writings excluding his letters from 1834 to 1836 This title primarily focuses on the creation of Angria and on the growing conflict between Alexander Percy Earl of Northangerland and Arthur Wellesly Duke of Zamorna and King Adrian of Angria All of the texts in this edition are based on Neufeldt's own transcriptions of the manuscripts or where the manuscript is unavailable on the most reliable accessible text This edition serves as a record for the growth and development of Branwell's writing and it is hoped that it will help to dispel some of the myths and misconceptions that have become associated with Branwell's name This book will be of interest to students of English Literature

available on hundreds of fascinating individuals **Chris Gascoyne** Arthur Christopher Benson,1924 **A Supplement to Allibone's Critical Dictionary of English Literature and British and American Authors ...** John Foster Kirk,1891

Representations of Masculinity in Literature and Film Sara Martín,2020-09-11 How are men represented on the printed page the stage and the screen What do these representations say about masculinity in the past the present and the future The twelve essays in this volume explore the different ways in which men and masculinity have been represented from the plays of William Shakespeare to the science fiction of Richard K Morgan passing through classic fiction by Emily Bront and Charles Dickens and popular favourites by Terry Pratchett and Isaac Asimov without forgetting the Star Wars saga Collectively these essays argue that although much has been written about men it has been done from a perspective that does not see masculinity as a specific feature in need of critical appraisal Men need to be made aware of how they are represented in order to alter the toxic patriarchal models handed down to them and even break the extant binary gender models For that it is important that men distinguish patriarchy from masculinity as is done here and form anti patriarchal alliances with each other and with women This book is then an invitation to men s liberation from patriarchy by raising an awareness of its crippling constraints **The Zincahi; Or, an Account of the Gypsies of Spain** George Borrow,1923
