English's boisterous at times obnoxious character From a haphazard beginning in 449 AD when a legendary fearsome Germanic warrior named Hengest tripped and fell onto British shores the real story of English has been rife with accident physical comedy phallic monuments rude behaviour dubious facts and an alarming quantity of poetry written by lawyers Across vast distances of space and time from the language's origins to its fast approaching retirement a moody and miraculously long lived Hengest voyages to the pubs of Chaucer's London aboard pirate ships in the north Atlantic to plantations in Barbados bookstores in Jamaica the chilly inlet of Quidi Vidi Newfoundland a private men's club in Australia and beyond Part Monty Python sketch part Oxford English Dictionary The Rude Story of English displays an exuberant love of language and a sharp anti authoritarian sense of humour Entertaining and informative it looks at English through its most uncomfortable colourful and off putting parts chronicling the story of the language as it has never been told before

Villain Hitting for Vicious Little Nobodies Lindsay Wong, 2026-01-13 A suspenseful audacious subversive portrait of the lives of unforgettable women In turns beautiful and gruesome this book made me cackle aloud and contains extraordinary depth of thought and imagination A wickedly good tale Shashi Bhat author of Death by a Thousand Cuts A young woman signs her life away in the ancient Chinese tradition of corpse marriage in this wickedly hilarious novel about class ambition and the burden of being an impoverished model minority Poor vicious Locinda Lo is a nobody with a powerful witch for a grandmother and an undead corpse kid sister as her only friend A broke MFA dropout living in Vancouver with six roommates and zero job prospects she's buried so deep in debt she might as well be six feet under and her family is in danger of being buried along with her Desperate to escape her financial woes and save her grandmother and sister Locinda signs a contract with a nefarious company Joyful Coffin Co Matchmaking Services to be auctioned off as a corpse bride to the highest bidder Next thing she knows she's being smuggled underground into the damp caves where her training coffin awaits As Locinda prepares for a rich dying dearly beloved to claim her as his bride to be in the Afterlife her past becomes twisted with that of her grandmother Baozhai A feared and revered Villain Hitter or witchy curse monger Baozhai's legacy stretches from 1920s China to the Battle of Hong Kong in the 40s to New York City thereafter Across the generational divide one thing becomes achingly clear to them both you can't outrun your ghosts Villain Hitting for Vicious Little Nobodies is a daring genre bending meditation on life death and the murderous cost of living in between It lays bare the societal and cultural expectations placed on Chinese women and the devastating price of enduring them This chilling masterclass in fiction cements Lindsay Wong as one of the most provocative Canadian horror writers of our time
