Cursed Cruise:

Cursed Cruise Eric Myers,2005-11-01 Several months after he returned home from his case in Boston Jonathan Moore was celebrating his birthday As a part of Nancy s birthday present she booked them on a cruise ship for a spontaneous vacation getaway While they were getting ready to board the ship Jonathan noticed two actors from the 1980 s Tom and Diane Olsen A homeless man grabbed Diane s arm and warned the couple not to go on the ship The next night the movie stars were found dead in a room that was locked from the inside How did the killer get out Diane s diamond pendant she wore around her neck was missing Also the safe she kept her priceless jewelry in was emptied Jonathan s investigation leads him down a dangerous path as he struggles with painful memories Will he pull through in the end before the killer escapes

Cursed Cruise Victoria Fulton,Faith McClaren,2024-03-19 From the authors of Horror Hotel called fast paced and freaky by 1 NYT bestselling author Kendare Blake comes another addictive YA horror about a group of teen ghost hunters who are invited to travel onboard a haunted historic cruise ship All aboard After their fateful stay at the Hearst Hotel the Ghost Gang is back with more spooks and more subscribers They ve been invited to record onboard the RMS Queen Anne a transatlantic luxury ocean liner with a colorful past of violent deaths of hundreds of passengers souls that bought a one way ticket to the afterlife and never disembarked When Chrissy Chase Kiki and Emma board the ship they have a funny feeling they ve been sucked into a ghostly time warp a theory that takes a frightening turn when Chrissy goes missing on the first night Unbeknownst to the rest of the group Chrissy has been sucked into another time by a passenger who wants the Ghost Gang to know her untimely death was not an accident and the perpetrator is still alive and on board this ship **The**

Giants in the earth O. E. Rølvaag,2025-04-24 In *Giants in the Earth* O E R lvaag masterfully explores the struggles and triumphs of Norwegian immigrants in the American Midwest during the late 19th century Through vivid imagery and rich lyrical prose R lvaag delves into the lives of his characters as they wrestle with the harsh realities of frontier life the clash of cultures and the haunting pull of their ancestral roots Written in a naturalistic style the narrative immerses readers in the psychological torment and resilience of the settlers offering a poignant reflection on identity and belonging in a rapidly changing world O E R lvaag a Norwegian American novelist and a significant figure in immigrant literature draws upon his own experiences as an immigrant to inform his work Arriving in the United States as a young man he personally grappled with cultural dislocation which profoundly shaped his perspective and narrative voice R lvaag s deep understanding of the immigrant experience allows him to authentically portray the emotional complexities faced by his characters making their struggles resonate on a universal level Recommended for readers interested in the themes of migration identity and cultural conflict *Giants in the Earth* serves as both a historical account and a timeless exploration of the human spirit R lvaag s nuanced portrayal of resilience in the face of adversity will captivate those who appreciate rich storytelling and the

exploration of cultural heritage **Poems** Oscar Boulton,1916 **Dangerous Doses** Katherine Eban,2006-05-01 In the tradition of the great investigative classics *Dangerous Doses* exposes the dark side of America s pharmaceutical trade Stolen compromised and counterfeit medicine increasingly makes its way into a poorly regulated distribution system where it may reach unsuspecting patients who stake their lives on its effectiveness Katherine Eban s hard hitting exploration of America s secret ring of drug counterfeiters takes us to Florida where tireless investigators follow the trail of medicine stolen in a seemingly minor break in as it funnels into a sprawling national network of drug polluters Their pursuit stretches from a strip joint in South Miami to the halls of Congress as they battle entrenched political interests and uncover an increasing threat to America s health With the conscience of a crusading reporter Eban has crafted a riveting narrative that shows how when we most need protection we may be most at risk *Captain Maroon* Robert Stuart (novelist.),1905 **The Last Buccaneer: The Trustees of Mrs A.** ,2020-09-28 One dark moist winter afternoon in the year of our Lord 1708 I chanced upon Brandon Pomfrett as he was on his way to visit me Brandon who was my school fellow was now clerk in his uncle s warehouse in Bristol I was an humble schoolmaster in the same famous city not discontented with my lot and not contented either But Pomfrett chafed in his shackles twas chiefly his dislike of tedium that drove him to seek my society for want of a better and that was presently to drive us both farther perhaps than we ever thought to go We turned down the narrow alley with the ancient houses leaning foreheads across that led to my lodging A strong hoarse voice arose out of the dusk singing All a sailing to the stars Ye gentlemen Jack tars We ll meet again at Fiddler s Green All up among the stars bellowed the voice and a burly man with something of a seafaring air about him came rolling up the causeway We drew aside to let him pass but he halted abruptly in front of us Asking your pardon gentlemen says he but could you tell me if I was shaping my course anyways near right for the Burning Bush kept by a man of the curi s name of Gamaliel Not said the stranger that I ain t been here before nor that I don t know the course but if a man s liquor runs from his legs to his head what s that poor seaman to do I reckon I could fetch him in time but time is well now shipmates you know what time is no one better by the looks of you ended the mariner apparently with some obscure design of complimenting us The stranger laying his thick brown hand familiarly on Pomfrett s arm as he spoke we could not but remark a great ruby that glowed in a gold setting upon his little finger a strange ornament for a merchant seaman We ll show you the way sir says Pomfrett whose curiosity was perhaps aroused by the sight of the ring Now the Burning Bush had an ill repute as a crimp s ken Gamaliel s was no place for the reputable and it behooves a schoolmaster to make at least a pretence of piety wherefore I hung back Oh be hanged said Pomfrett I know Gamaliel he does business at the warehouse Come along Ay ay the mariner broke in heave ahead shipmate never spoil a merry meeting a tot of rum will set you as brisk as a bee Why says he you and me and you I should say him but meaning polite we three I reckon will be as thick as thieves before the night s out Crack on shipmates for the port o call And turning sharp to the left down a narrow passage we came to the Burning Bush a low browed tavern with small latticed

windows that gave no hint of the great extent of the rambling premises behind them and entered the sanded parlour where Mr John Gamaliel was standing with his back to a bright fire A little thin eager man was John Gamaliel his nose was hooked his fingers crooked inward like a sailor s a sailor he had been his body had a forward droop like a fish hook *The Case of the Cursed Cruise* Alyn Troy,2023-11-21 A Murderer stalks a cruise on Lake Erie When a book collector with a love for going au naturel is discovered dead on the cruise ship and there is more missing than his clothing Sammi Cleo and Courtney are tossed into yet another whodunnit Not only that Sammi is burning through her luck charms as more accidents occur around her Accompanying his new band on the boat Gord tries to assist but is kept busy figuring out his new familiar s routines Toss in Sammi s favourite mundane author as an unexpected passenger and this cruise couldn t get much stranger And with a school of mermaids set to perform pixies flittering about and several other rare book collectors on board Sammi seems to be cruising full steam into a conundrum When a second body is found Sammi knows this cruise is destined for disaster unless she and her friends can steer a course through the waves of the mystery and toss the murderer in the brig for good If you like sassy heroines snarky talking cats colourful characters and a side of spells with your cuppa joe then you ll love Alyn Troy s otherworldly adventure Get your copy of *The Case of the Cursed Cruise* today **N.P.
