All about Jewish Holidays and Customs Morris Epstein, 1969 Describes and gives the background of traditional Jewish holidays customs and symbols *Culture and Customs of Israel* Rebecca L. Torstrick, 2004-06-30 Students and other readers looking to more fully understand and appreciate Israelis of all backgrounds and their ways of life and culture now have a solid source of engaging balanced and accurate information Israel's brief turbulent history and the Arab Israeli conflict are always taken into account in the narrative however the emphasis here is nonpolitical and encompassing of the heterogeneous culture of its citizens including Jews Arabs Druze and others The predominant Jewish culture itself is multicultural with immigrants from all over the world Israel a tiny state about the size of New Jersey weighs on the consciousness of the world more than it might small land mass might seem to merit Located at the junction of Europe Asia and Africa Israel has been a natural trade and migration route since prehistoric times The region is also the birthplace of monotheism and an important religious site for Jews Christians and Muslims worldwide *Culture and Customs of Israel* is the first in depth survey available and comes at a particularly crucial juncture in history as the balanced perspective adds a needed cultural dimension

Narrative chapters provide a clear overview of the history and religious nexus and discuss the crucial roles of literature and media to the citizens issues in Israeli art and identity the diversity in cuisine a surprisingly traditional view of gender roles social customs for all ethnicities and the role of music and dance in nation building A volume map photos chronology and glossary complement the text **Culture and Customs of Ghana** Steven J.
