Business Ethics, Seventh Edition Joseph W. Weiss, 2021-11-23 The seventh edition of this pragmatic guide to determining right and wrong in the workplace is updated with new case studies exercises and ancillary materials Joseph Weiss s *Business Ethics* is a pragmatic hands on guide for determining right and wrong in the business world To be socially responsible and ethical Weiss maintains businesses must acknowledge the impact their decisions can have on the world beyond their walls An advantage of the book is the integration of a stakeholder perspective with an issues and crisis management approach so students can look at how a business s actions affect not just share price and profit but the well being of employees customers suppliers the local community the larger society other nations and the environment Weiss includes twenty three cases that immerse students directly in contemporary ethical dilemmas Eight new cases in this edition include Facebook s mis use of customer data the impact of COVID 19 on higher education the opioid epidemic the rise of Uber the rapid growth of AI safety concerns over the Boeing 737 the Wells Fargo false saving accounts scandal and plastics being dumped into the ocean Several chapters feature a unique point counterpoint exercise that challenges students to argue both sides of a heated ethical issue This edition has eleven new point counterpoint exercises addressing questions like Should tech giants be broken apart What is the line between free speech and dangerous disinformation Has the Me Too movement gone too far As with previous editions the seventh edition features a complete set of ancillary materials for instructors teaching guides test banks and PowerPoint presentations *Business Ethics* Joseph W. Weiss, 2014-07-14 NEW EDITION

REVISED AND UPDATED This is a pragmatic hands on up to date guide to determining right and wrong in the business world Joseph Weiss integrates a stakeholder perspective with an issues oriented approach so students look at how a business's actions affect not just share price and profit but the well being of employees customers suppliers the local community the larger society other nations and the environment Weiss uses a wealth of contemporary examples including twenty three customized cases that immerse students directly in recent business ethics dilemmas and ask them to consider how they would resolve them The recent economic collapse raised ethical issues that have yet to be resolved there could not be a better time for a fully updated edition of Weiss's classic accessible blend of theory and practice New to the Sixth Edition New Cases Fourteen of the twenty three cases in this book are brand new to this edition They touch on issues such as cyberbullying fracking neuromarketing and for profit education and involve institutions like Goldman Sachs Google Kaiser Permanente Walmart Ford and Facebook Updated Throughout The text has been updated with the latest research including new national ethics survey data perspectives on generational differences and global and international issues Each chapter includes recent business press stories touching on ethical issues New Feature Several chapters now feature a unique Point Counterpoint exercise that challenges students to argue both sides of a contemporary issue such as too big to fail institutions the Boston bomber Rolling Stone cover student loan debt online file sharing and questions raised by social media
