Bronc Buster Short Stories Of The American West:

Bronc Buster Dave P. Fisher, 2004 **Best Stories of the American West** Marc Jaffe, 2007-04-17 Here is the first in a series of collections of the best contemporary writing to come from the American West short stories by a diverse group of writers young and old male and female well known and not so known And for the first time there appears side by side with these the work of so called traditional Western writers such as Max Evans and Elmer Kelton and the literary contingent represented by William Kittredge and Valerie Miner Best Stories of the American West reflects the extraordinary diversity of the culture and lifestyles of the American West Stories by Sherman Alexie Melanie Rae Thon and Lannan Award winner Luis Alberto Urrea center on the world of Indian Country a world unknown to most Americans but crucial to an understanding of American society as a whole Elmore Leonard deals with violence and justice Richard Cass and Steven Patterson offer dramatic stories of women engaged in perilous worlds of work and sex Max Evans describes a cowboy life that is in a curious way the other side of the coin of Brokeback Mountain There is an all pervading tragic sense of history in John Graves s The Last Running Well known film director and author John Sayles offers a unique view of the working man s Hollywood and Geronimo Tagatac of Filipino heritage takes the reader through an immigrant experience typical of the West In Drum Hadley s Southwest Stories poetry and prose merge into the tradition of mythic storytelling going back to Mark Twain and Bret Harte and returning to the present day of Gary Snyder and others Idaho born and bred John Rember uses metaphor and humor to tell a story of sadness growth and love in Sudden Death Over Time which appears in print here for the first time Taken together these twenty stories five appearing for the first time in print create an unparalleled picture of an enormously complex region on the map as well as a gallery of memorable characters and human conflicts **The Epic History of the American West** William Nester, 2025-10-30 The American West evokes powerful imagery warriors on horseback cowboys in saloons and pioneers in wagons heading westward It symbolizes freedom reinvention and the American Dream However this idealized image obscures the complex often violent history of the West which is as unjust as it is inspiring Historians debate the boundaries of the American West but it s clear that it s a dynamic concept both a place and an idea evolving over time For three centuries the frontier and western history overlapped until the frontier disappeared in 1890 Early narratives celebrated explorers settlers and entrepreneurs who developed the West portraying them as heroic figures However modern historians criticize this triumphant view highlighting the exploitation racism and ecological damage caused by Western expansion They focus on marginalized groups racial minorities women and workers while critiquing the often overlooked injustices faced by Indigenous peoples and others This revisionist perspective emphasizes the darker aspects of Western history challenging previous glorifications of development and heroism The Epic History of the American West bridges traditional and revisionist views exploring the region s complex legacy from violent struggles to ongoing cultural and ideological conflicts It reflects the West s enduring significance blending history and mythology to reveal its multifaceted
