**Rachel Singer Gordon**

## Careers In A Library:

*Career Opportunities in Library and Information Science* T. Allan Taylor, James Robert Parish, 2009 Whether you re a student or a professionals ready for a career change you ll find in this invaluable book everything you need to know to start an exciting career or alter the direction of your current career in library and or information science Features include a quick reference Career Profile for each job summarizing its notable features a Career Ladder illustrating frequent routes to and from the position described and a comprehensive text pointing out special skills education training and various associations relevant to each post Appendixes list educational institutions periodicals and directories professional associations and useful industry Web sites

**Straight from the Stacks** Laura Townsend Kane, 2003-09-08 For library students paraprofessionals and librarians who are wondering if they have their ladder against the right wall *Straight from the Stacks* fills the need for an up to date resource that uncovers the amazing and varied jobs available in the library field [Careers in Today's Libraries](#)

Library Club of Cleveland and Vicinity, 1960

**Career Opportunities in Library and Information Science** Lin Carvell, 2009

*Making the Most of Your Library Career* Lois Stickell, Bridgette Sanders, 2014-01-22 Benefiting those fresh out of library school as well as experienced professionals career librarians from every corner of the profession offer a personal down to earth view of what it s really like out there

**Careers in a Library** Rebecca Anders, 1978 Introduces career opportunities in a library including cataloger book shelve computer operator children s librarian A V aide maintenance person and publicity specialist

[Rethinking Information Work](#) G. Kim Dority, 2016-02-22 A state of the art guide to the world of library and information science that gives readers valuable insights into the field and practical tools to succeed in it As the field of information science continues to evolve professional level opportunities in traditional librarianship especially in school and public libraries have stalled and contracted while at the same time information related opportunities in non library settings continue to expand These two coinciding trends are opening up many new job opportunities for LIS professionals but the challenge lies in helping them and LIS students understand how to align their skills and mindsets with these new opportunities The new edition of G Kim Dority s *Rethinking Information Work A Career Guide for Librarians and Other Information Professionals* gives readers helpful information on self development including learning to thrive on change using key career skills like professional networking and brand building and how to make wise professional choices Taking readers through a planning process that starts with self examination and ends in creating an actionable career path the book presents an expansive approach that considers all LIS career possibilities and introduces readers to new opportunities This guide is appropriate for those embarking on careers in library and information science as well as those looking to make a change providing career design strategies that can be used to build a lifetime of career opportunity

**Job and Career Information Centers for Public Libraries** American Library Association, Public Library Association. Job and Career Information Services Committee, 1985

*Careers in Library and Information Services* Priscilla

K. Shontz, 2024-12-12 Helps readers understand what careers are available for graduates with a master's degree in library and information sciences. Written in a conversational, candid tone, *Careers in Library and Information Services* collects first-hand accounts from workers who have earned a master's of library science degree to help new LIS graduates understand their career options. Each of the chapters provides readers with a snapshot of a particular career. Chapters are gathered into parts: an introduction on Why Do We Do This is followed by careers in public libraries, school libraries, academic libraries, special libraries, and careers outside of libraries. Each chapter author describes their typical duties, shares likes and dislikes, and offers advice for those wanting a job like theirs. Invaluable for those considering entering an MLS program, those currently enrolled in MLS programs, graduates looking for work, and professionals considering a career shift, this engaging book is both practical and fun to read.

**Library Careers** Richard Henry Logsdon, Irene K. Logsdon, 1963

**Careers in Music Librarianship III** Susannah Cleveland, Joe C. Clark, 2014-01-01 Music librarianship, a profession that brings joy and satisfaction to many, is subject to constant change that requires in turn continual adaptation from its practitioners so that they become comfortable with new technologies and formats, changing standards, and fresh approaches. Relevant and solid training and education are crucial to success in this field, but they alone are insufficient to guarantee placement or promotion. Recent economic shifts have created additional instability, leaving graduates from programs in librarianship sometimes unemployed and with little feedback about the quality of their experience and education, while their employed counterparts likewise have little knowledge of their skills' relevance to the current job market. Knowledge of training, education, and current employer expectations for music librarians can help ease such concerns and pave the way for a successful career or career change. As with the two previous editions of *Careers in Music Librarianship*, this volume provides career resources and guidance for current and future librarians, as well as insights for mentors and educators working with these populations. With this volume, the contributors provide a selection of readings that can help people in and considering this profession to make realistic, informed, and strategic decisions about how to succeed in it. As the profession changes, so must the professionals within it, and everyone involved with music librarianship will benefit from the guidance offered in this exciting new book.

**Jump Start Your Career in Library and Information Science** Priscilla K. Shontz, Robert R. Newlen, 2001-12-22 *Jump Start Your Career in Library and Information Science* is designed to help new librarians begin to manage a successful and satisfying career in the library and information science profession. Although the first years are often overwhelming, they can be the key to creating a successful career as a librarian or information professional. Unless one is fortunate enough to have good mentors or strong support groups, a new librarian may drift into an unsatisfying career. This book emphasizes the value of defining one's own idea of success and of positioning one's self to be prepared to take advantage of opportunities that arise. Although the book is aimed at students and new information professionals, much of the advice may apply to a librarian at any stage of his or her career. This book contains advice and anecdotes gathered from research and interviews with more

than 70 information professionals in a variety of library related careers The book is written in a practical easy to read style The modular format allows a reader to read any chapter on its own or to read the chapters in any order choosing which ones are most relevant at any point The book covers eight broad topics career planning job searching gaining experience and education developing interpersonal skills and leadership skills networking mentoring and writing for publication Lengthy lists of related readings as well as related web sites are included to allow the reader to follow up on any topic

**Mid-Career Library and Information Professionals** Dawn Lowe-Wincentsen,Linda Crook,2010-12-14 As librarians move into the middle of their careers they are more ready than ever to take on new leadership opportunities Literature on leadership is expanding in the field of library and information sciences and more and more seminars and workshops are being offered for new and seasoned leaders This book asks the questions What about us and Where is the leadership advice and training for those who are no longer new librarians but are also not yet seasoned leaders The title illustrates how to work the middle from being in the sophomore slump progressing to the next leaders in the field to look for perspectives from others who are in the middle of their career and how they have developed into leaders ways to develop one s own style of leadership and grow one s career and future as a librarian and information professional Perspectives on leadership from mid career information professionals Tips and tools on how to become a leader from the middle of your career A how to guide on making changes from the middle Library Jobs Barbara I. Dewey,1987 **Careers in Focus** ,2019 Ferguson s Careers in Focus books are a valuable career exploration tool for libraries and career centers *Courses and Careers* Ralph P. Gallagher,1930 **Library of Inspiration and Achievement: Choosing a career** Edward Everett Hale,1902 Your Future in Library Careers Alpha Scoggin Myers,Sara A. Temkin,1973 Describes the many varied jobs in the library profession and the necessary qualifications for them Includes dicussions on media centers public and State libraries and a national convention **Strategies for Regenerating the Library and Information Professions** Jana Varlejs,Graham Walton,2009 This volume comprises papers prepared for the 8th World Conference on Continuing Professional Development Bologna Italy 18 20 August 2009 Within the broad theme of creating a positive work environment for a multi generational workforce in library and information organizations the conference addresses managing between and across generations mentoring and coaching attracting people to the profession and developing a new generation of leaders re skilling and transferability of skills succession planning and passing on knowledge Book Jacket *What's the Alternative?* Rachel Singer Gordon,2008 As the global information economy grows librarians who are able to retool and transfer their skills are finding themselves increasingly in demand Here Rachel Singer Gordon explains the dynamics of the shifting market for information based work reveals a range of nontraditional employment opportunities for librarians and encourages info pros to utilize their skills in new and exciting ways Mixing practical advice with real life stories of librarians working in various fields Gordon provides a wealth of useful ideas and resources for info pros rethinking their career paths Whether youre a recent library school grad

facing a tight job market a working librarian seeking improved work life balance or an info pro with an entrepreneurial streak Whats the Alternative will help you explore your options and maximize your career potential
